The Disappearance:

For Shame, Boone! For Shame, Iowa! The Disappearance of Norma Maynard Sidney S. Louis, 2017-08-28 For Shame Boone For Shame Iowa The Disappearance of Norma Maynard By Sidney S Louis If you have a hidden secret wish to be Sherlock Holmes and who doesn't really the Norma Maynard story is for you An innocent woman was murdered and made to vanish as if she had never existed City of Boone county of Boone and Iowa state level law enforcement were unable to determine what happened To this day it is not known Exactly when the missing woman was murdered Who committed the murder How it was done Why it was done Where the missing woman's remains are Join the author as he fights for twelve years to have his sister's murder properly investigated only to be met with a stone wall of resistance from Iowa officials at city county and state level The author provides readers with the ability to set up their own investigative files He helps them devise a scale to measure the effectiveness of officials that are part of the story The reader will be able to question with some authority why the Norma Maynard case has not been resolved Was this a deliberate choice by Iowa law enforcement and legal and judicial officials If you elect to sleuth along with the author will you be the one to solve the almost forty year riddle of the disappearance of Norma Maynard
