Way Out In Space:

Free Will: Free agency, moral responsibility, and skepticism John Martin Fischer, 2005 **Drunken Space Pirates!** Phoenix Freebird A., 2009-06-30 Running from a mutinous crew sucked through a wormhole like in a bad sci fi movie and slowly running out of booze and that s just the beginning of this non traditional story that starts off as a simple captain s log book and evolves into something more like a really warped and twisted TV show in text Follow the Captain and crew on a series of seemingly random adventures where it s obvious it s not just the Captain who s been drinking At some point you may ask yourself is all this just coincidence or is there something dark and annoying on the horizon The Captain seems to have a drinking problem the problem being he never has enough to drink and people from his past keep showing up and ruining his buzz Akki a corrupted artificial intelligence who occasionally takes over the Captain s log has his own plans mostly self serving ones because he has nothing better to do The rest of the crew pirates hot chicks robots and a foul beaked little space penguin round out the Drunken Space Pirates and with all the wise cracks and shots aimed at everyone and everything its clear the alcohol flows rather freely within the D S P Many of the off the wall characters of the D S P are walking guilty pleasures who say what they feel do what they want and just generally give it to life pop culture and the universe in general with both barrels and occasionally fish **Militarizing Outer Space** Alexander C.T. Geppert, Daniel Brandau, Tilmann Siebeneichner, 2020-12-02 Militarizing Outer Space explores the dystopian and destructive dimensions of the Space Age and challenges conventional narratives of a bipolar Cold War rivalry Concentrating on weapons warfare and violence this provocative volume examines real and imagined endeavors of arming the skies and conquering the heavens The third and final volume in the groundbreaking European Astroculture trilogy Militarizing Outer Space zooms in on the interplay between security technopolitics and knowledge from the 1920s through the 1980s Often hailed as the site of heavenly utopias and otherworldly salvation outer space transformed from a promised sanctuary to a present threat where the battles of the future were to be waged Astroculture proved instrumental in fathoming forms and functions of warfare s futures past both on earth and in space The allure of dominating outer space the book shows was neither limited to the early twenty first century nor to current American space force rhetorics **Mind** , 1891 A quarterly review of philosophy

Mister Torro, the Speaking Dog from Outer Space Silvia Kaufer, 2015-10-16 Like every year Scooti spends his summer vacation at his grandmother s and grandfather s place in Spain Scooti has no idea yet how memorable his vacation will turn out to be this time and spends some time at the beach until his friends arrive Suddenly he hears the whining of a little dog coming from the bushes He approaches it and meets Mister Torro a talking dog from outer space Scooti adopts the little dog and takes good care of him They play fetch wander around the area and have a lot of fun together After his friends finally arrive they all go to the beach to explore and discover a hidden cave entrance Despite Mister Torro s warning the children s curiosity wins out and they enter the cave They have no idea the great danger they are going to encounter An
