The Dueling Machine:

The Dueling Machine Ben Bova, 2017-12-20 The trouble with great ideas is that someone is sure to expend enormous effort and ingenuity figuring out how to louse them up A fantastic science fiction tale by a master of the genre Ben Bova The Dueling Machine is required reading for anyone that wants to be amazed and inspired **The Dueling Machine** Ben Bova, Myron R. Lewis, 2012-01-01 At first the dueling machine seemed like a benign or even a helpful invention allowing people to blow off steam and solve conflicts in a virtual reality like environment But before long an evil tyrant discovers a way to use the device to inflict real and lasting harm on participants Will the intrepid scientist who invented the technology be able to stop him before it's too late [The Dueling Machine](#) Ben Bova, 1973 **The Dueling Machine (Official Complete Novel Edition)** Ben Bova, 2014-01 Civilized harmless virtual reality dueling has replaced all physical conflict everything from punching someone over a personal insult to interstellar warfare until a madman dictator of a small empire finds a way to cheat and use the dueling machine to take over the galaxy From a six time Hugo Award winning master of science and set in the same universe as The Star Conquerors THE DUELING MACHINE is filled with real people facing the end of their world as they know it ABOUT THE AUTHOR Dr Ben Bova is a six time Hugo Award winner and author of over 125 futuristic novels and nonfiction books about science and technology **The Dueling Machine** Ben Bova, Myron R. Lewis, 2023-10-04 At the core of The Dueling Machine lies a vibrant collection that traverses the realms of science fiction with an astute analysis of human nature and the potential pitfalls of technological advancements This anthology edited by Ben Bova and Myron R Lewis brings together a compelling range of literary styles from speculative fiction to cerebral science fiction highlighting the diversity and significance of the works included It serves not only as a mirror reflecting societal worries about technology's impact on human identity but also as a beacon showcasing the imaginative breadth of its contributors The contributing authors under the guidance of Bova and Lewis are veterans and visionaries in the field of science fiction Their collective expertise spans decades contributing significantly to the golden age of science fiction and its evolution The anthology resonates with the historical and cultural movements of speculative exploration embodying a period of time when science fiction began to be taken seriously as a literary genre The varied backgrounds of these authors enrich the anthology offering a spectrum of perspectives that challenge and engage readers on multiple levels The Dueling Machine is recommended for readers seeking to immerse themselves in a multifaceted exploration of science fiction Its educational value is unparalleled providing insights into the genre's capacity to question and critique contemporary society through speculative storytelling This collection is not only a testament to the literary merit of science fiction but also an invitation to engage in the dialogue between the diverse voices that have shaped the genre [The Dueling Machine](#) Ben Bova, 2018-02 Excerpt Your own Government tested one of the machines and approved its use on Acquatainia more than three years ago I see several of you who were among those to whom I personally demonstrated the device Duelling machines are in use through wide portions of
