

A photograph of a winding asphalt road through a lush, green forested valley. The road curves to the right in the foreground and then back to the left. In the distance, mountains are visible under a cloudy sky. The overall tone is serene and natural.

In North America obesity continues to be a problem one that extends throughout life as children move into adolescence and adulthood and choose progressively less physical activity and less healthy diets This public health issue needs to be addressed early in childhood when kids are adopting the behaviors that they will carry through life Eat Well this information includes recipes preparation tips promotional materials classroom tie ins and staff training The web resource also details various approaches to getting parents and family members involved in Eat Well Keep Moving A Holistic Approach Eat Well Keep Moving is popular because it teaches nutrition and physical activity while kids are moving The program addresses both components of health simultaneously reinforcing the link between the two And it encompasses all aspects of a child s learning environment classroom gymnasium cafeteria hallways out of school programs home and community centers Further the material is easily incorporated in various classroom subjects or in health education curricula Eight Core Principles Central to its message are the eight core Principles of Healthy Living Those principles at least one of which is emphasized in each lesson have been updated to reflect key targets as defined by the CDC funded Childhood Obesity Research Demonstration partnership These are the principles Make the switch from sugary drinks to water Choose colorful fruits and vegetables instead of junk food Choose whole grain foods and limit foods with added sugar Choose foods with healthy fat limit foods high in saturated fat and avoid foods with trans fat Eat a nutritious breakfast every morning Be physically active every day for at least an hour per day Limit TV and other recreational screen time to two hours or less per day Get enough sleep to give the brain and body the rest it needs Flexible Inexpensive Easy to Adopt The entire curriculum of Eat Well Keep Moving reflects the latest research and incorporates recommendations from the latest Dietary Guidelines for Americans It fits within school curricula uses existing school resources is inexpensive to implement and is easy to adopt The content is customizable to school and student population profiles and can help schools meet new criteria for federally mandated wellness policies Most important armed with the knowledge they can gain from this program elementary students can move toward and maintain healthy behaviors throughout their lives

Men Rising Alyssa Ditch, 2021-09-21
What does it mean to be masculine These eleven men thought they knew following in the footsteps of their fathers marching to society s drumbeat of manhood A man is strong A man doesn t cry A man is the provider A man does it alone in the course of their lives each of these very different men found this same rigid idea of manhood standing between them and their happiness Standing between them and being a fully realized man Standing between them and their relationships Standing between

them and their heart's path Instead of building them up and making them stronger they found themselves chained and isolated by these standards of masculinity In these soulful interviews conducted by intuitive healer and author Alyssa Ditch these eleven men candidly share their ascent into becoming real men from heartache to healing failure to triumph Join her as she dives into the hearts of these eleven brave men to understand how these fully realized men had cast away society's limitations on masculinity rising to become better men for themselves their families and their communities Learn the tools and techniques that worked for each of them on their journey to self discovery Be inspired by the example they set for all men as it makes us think anew What is healthy masculinity *Staying Encouraged Through It All* Tyrone Smith,2013-07-26
