John W. Gordon

Tobruk Commando:

Tobruk Commando Gordon Landsborough,2015-11-19 Gentlemen we are going to capture Tobruk and destroy it Operation Agreement started as a fairly simple plan to destroy Rommel s bomb proof oil storage tanks at Tobruk on the eve of Alamein But catching the imagination of GHQ the plan snowballed alarmingly As well as a commando unit led by the plan s originator Colonel Haselden it came to include the RAF the Royal Navy the Marines and two of the largest destroyers in the Mediterranean It was a daring attempt to rob Rommel at one stroke of the three essentials to success in North Africa oil a supply port and shipping But the calculated risks began to out balance the chances of success when it seemed that every dockyard worker in Alexandria and every cocktail party goer in Cairo knew about the raid before the officers and men set out The operation went on and became a tragedy of slaughtered men and sunken ships Tobruk Commando is a classic adventure story of the Second World War The fast moving action centres on the small commando of men which set out secretly through the deserts towards Tobruk After a long journey across the desert sand they arrived disguised as a group of POWs and their German captors Expertly written this is a wonderful tale of heroic bluff and a venture to test the courage and nerves of the toughest men *Tobruk Commando* Gordon Landsborough,1968 Tobruk Commando, etc. [With plates and maps.] Gordon Landsborough,1956 Tobruk Commando Gordon Landsborough,1956 **Allied Special Forces Insignia, 1939-1948** Peter Taylor,2013-05-20 As early as 1940 political leaders and military commanders responsible for the conduct of the Allied operations realised that after a string of disastrous setbacks national morale could only be restored by taking offensive action against the enemy With the limited resources available Churchills stirring call to set Europe ablaze called for unconventional solutions and action From these uncertain beginnings was born a plethora of Allied Special Force units Inevitably some are household names but others are little known having had brief and covert existences in far flung parts of the world rnrnAll however had distinctive identities and their proudly worn insignia represent a fascinating and often elusive challenge for militaria collectors This is due not just to the scarcity of items in many cases but to the mystery of their origin a number of these units were established on an ad hoc and spontaneous basis Peter Taylors aim in compiling Allied Special Forces Insignia 1939 1948 is to fill a gap in the growing bibliography of militaria collecting At the same time Brigadier Bryan Watkins introduction sets in context the growth and development of Allied Special Forces during the global conflict 1939 45 Lavishly illustrated this work will prove an essential reference work and companion guide for the expert collector and all interested in military history *Special Operations and Strategy* James D. Kiras,2006-07-29 This book argues that the root of effective special operations lies in understanding the relationship between moral and material attrition this is achieved by examining both strategic theory and real life case studies *Special Bibliographic Series* US Army Military History Research Collection,1978 *When Shall Their Glory Fade?* James Dunning,2011-04-11 Written by a Commando veteran of World War II this is a remarkable vivid and honest account of the battles and actions behind the award of the thirty eight

Battle Honours that were awarded to the Army Commandos by Her Majesty the Queen in 1958 These Battle Honours are emblazoned on the Commando Flag that hangs in Westminster Abbey in London almost opposite the tomb of the Unknown Warrior The story of each honour is presented in the most direct way using the stories and experiences of the commandos officers and men who actually took part in the fighting It should be emphasised that the operations mentioned as battle honours recognised only those deemed to be thoroughly outstanding feats of arms and represent only a fraction of the raids and battles fought by the Commandos in their five years of active service The formation of the Commandos was due to Winston Churchill who proposed their formation in a directive dated 18 June 1940 which advocated limited offensive action against the enemy s extended and vulnerable coastline This compilation includes photographs of training and combat in Norway Dieppe Normandy Flushing and many more locations [Lrdg tracks - June 2024](#) Kuno Gross,Patrick Adaimi,Sam Watson,Charlie Down,Brendan O'Carroll,Alan F. Hall,Anthony Rogers,bob Amos Jones,Ian Chard,Jonathan Pittaway,2024-04-29 Most probably the readers of this magazine have never heard of the original TRACKS I was in the very same situation until by the end of 2020 when NZ LRDG historian Brendan OCarroll has provided me with a hardly readable copy of the June 1941 issue of TRACKS I was immediately fascinated by these windows into the past and just thought We should revive TRACKS The editor of the original Tracks was that time 20 years old TA Sgt N A Moore a clerk attached to LRDG Group HQ The June 1941 issue was created by him when the LRDG HQ was located at Kufra There he got the idea to create a house paper for the unit He recalled in a letter which was published in the 1991 Newsletter of the LRDG Association that there were only a very limited number of people who were willing to contribute and that this first edition was mainly launched thanks to the contribution of Lieut Col Bagnold and Captain Kennedy Shaw And indeed the June 1941 remained the single and only issue of Tracks it was never published again until today [Commando Tactics](#) Stephen Bull,2010 Stephen Bull in this in depth study of commando tactics and history seeks to dispel the myths and the misunderstandings that surround the Commandos and places these elite troops of 70 years ago in the context of their times **Special Bibliography**,1977 **Special Forces in the Desert War** H. W. Wynter,National Archives,2008-05-16 Fascinating official story of some of Britain s most famous special forces in the Second World War SAS Long Range Desert Group Middle East Commandos and Special Boat Section an insider s view of conflict in hostile desert terrain with real relevance to modern military operations [The War of 1939](#) Vernon Bartlett,W. Gordon Williams,Geoffrey Dennis,1940 **Time** Briton Hadden,Henry R. Luce,1942 **With Prejudice** Arthur William Tedder Baron Tedder,1967 **The Library Catalogs of the Hoover Institution on War, Revolution and Peace, Stanford University** Hoover Institution on War, Revolution, and Peace,1972 **H.M.S. Coventry, Anti-aircraft Cruiser** George Sims,1972 **The War in North Africa, 1940-1943** Colin F. Baxter,1996-03-30 Critically assesses the important literature on the North African campaign and offers the most comprehensive bibliography on the subject to date **Books and Bookmen**,1955 **The Other Desert War** John W.

Gordon,1987-02-17 Gordon s book reveals an impressive mastery of the archival and secondary sources available on the subject His writing is crisp and interesting yet sober and scholarly at the same time The daring and resourceful men of the British desert forces have found a historian whose ability to tell their story matches their ability to create some of the most daring and imaginative operations of World War II This is an extraordinary book about extraordinary soldiers Military Review
