Underground Spirit: 1983 to 1989 Gémino H. Abad, 2010 Because of the ever present danger of arrest and torture during the years of the Marcos dictatorship 1972 to 1986 the writers were driven to other forms or guises of the short story such as fantasy sci fi tale and parable But whatever the form you come away from the story with an image of a lifetime or a moment lived that the story s words have evocatively forged and that image sums up and makes into a whole the story s meaningfulness by which its form has been achieved Back cover

A Few Sunny Days in Denio Mike R. Dunbar, 2016-05-12 This is a story of a mans love of horses and of friendships that endure through the best and worst of times Sam Jackson the main character searches as we all do for a place in time and space where he can spend just a few sunny days enjoying life That place for Sam is in the ranching country and in the small hamlet of Denio located in the high cold desert of far northwestern Nevada Denio is a real place although in this story the characters and most of the establishments are fictional Unfortunately that place and its quirky residents depict an icon of the fate of many small communities in the American West destined to vanish The story of Sam Jackson narrated by his lifelong friend Joe Running Bear is about a young mans quest to become a World Champion rodeo cowboy Traveling a long and rocky road and with help and encouragement from his friends he finally achieves his dream only to lose it all His friends in Denio not only nurture his transition from youth into adulthood but also help heal his wounds after his fall from glory and fame But nothing can stop the winds of change and like Sam Jackson the town and its people are also changing slowly fading into a sea of endless time
