Winter Woods Jane Summers, 2018-05-14 Winter woods silent and undisturbed empty of birds and leaves flowers icicles of pearls for miles A path I traverse every morning in search of the robin to build musical melodies for an early spring Winter a time I reminisce and note season s memories A time to carve season s changes of customs traditions and rituals observed through season s festivals and note differences any Winter colors a difference of summer I see in winter vegetables and fruits a color I need for an art to carve Winter a summer I need a plea for rest of an illness every winter Winter lark I searched for a message a search only futile A winter melody I listen to every evening and watch the stars a dance of the melody of a winter night Winter woods an encounter different every winter only worthy *Decisions of the Public Service Commission of the Commonwealth of Pennsylvania* Pennsylvania.
