Random Thoughts Alexander Villarasa M.D.,2019-04-15 I titled this book *Random Thoughts* overtly tongue in cheek because as I have argued in the introduction and preface I do not believe in anything random about why and how we exist in a nonrandom universe I strongly believe in creationism one that does not deny the factuality of evolution in that creative process The way I see it the universe and our existence was schemed designed and finely tuned by a transcendent supremely sentient impulse God who is not into acts of futility The essay titled *It's All about God* specifically argues the idea that God's creation of sentient beings was His act of utmost utility because if we are not here to perceive experience and witness the universe in all its glory it would just be cold dead space out here there and everywhere with neither usefulness nor timeliness

The Rotarian, 1996-10 Established in 1911 *The Rotarian* is the official magazine of Rotary International and is circulated worldwide Each issue contains feature articles columns and departments about or of interest to Rotarians Seventeen Nobel Prize winners and 19 Pulitzer Prize winners from Mahatma Gandhi to Kurt Vonnegut Jr have written for the magazine

The One Year Book of Healing Reggie Anderson,2016-09 This year experience deep healing and refreshment We're all sick and we're all hurting Whether it's a broken arm or a broken heart a chronic illness or wounds from our past the fact remains We are all in desperate need of God's healing In our pain it can be easy to believe God has forgotten about us to believe that he doesn't even care Dr Reggie Anderson author of the acclaimed memoir *Appointments with Heaven* knows it can't be predicted how God's healing work will come to pass in our lives and hearts only that it will As a country doctor who has had remarkable experiences attending people in pain Reggie wants you to see what he sees every day that whatever your sickness whatever your hurt God is alive and active in your life He wants you to be truly well even if that looks different than you might expect Rich in story and inspiration *The One Year Book of Healing* will reveal the many ways our Savior heals and intervenes in the lives of the sick and the hurting giving you the faith hope and patience to believe that God can do the same in your life

Fireflies Ruthie Lewis,2012-09 I'm so different now so different from the naive high school senior full of heart and dreams Like a firefly whose very being lights up a summer night like a Fourth of July sparkler my soul's light was at its brightest Tammy and Charla have been friends since childhood but lost touch when life took them separate directions In their time apart both women have found themselves in situations far beyond their control Tammy Trovich had been full of dreams but had sacrificed and forgotten them all Truth collides with her head on when she realizes she's been caught like a firefly in a proverbial jar living a life of have to and supposed to when all the while freedom was only inches away Despite many obstacles Charla Calibrisi thinks she's living her dream as a news anchor but when her husband's aggressive behavior mirrors her dark past will she allow the truth she has buried to be excavated or will she be buried with it Trapped in a jar with their lights dimming both women wrestle with their devotion to the sanctity of marriage To what limit will Tammy and Charla let their lives grow fainter before their light is extinguished unable to emanate even the faintest glow *Fireflies* is
