## **Still Not Quite Human:**

**Not Quite Human** Kaye Draper, 2020-01-30 Not quite human not quite beast Not quite female not quite male Sometimes hunter sometimes prey Always alone Until then Fiend hunter Sam Sabertooth Forest is used to being on the outskirts A cur with a mix of shifter and human blood Sam can't fully shift to beast but can't fully pass as human Through sheer determination and a desire to protect the broken shifter woman who raised them Sam has managed to eek out a place of their own in a world devastated by the rift that allowed monsters to spill into the earth plane Sam hunts monsters sometimes curs and mongrels just like Sam The work might be dangerous and the humans might want to put the mixed breed hunter on their hitlist but it's a job It's freedom Sam works alone and trusts no one The next hunt should bring in a big bounty big enough to pay the pack extortion fee and keep Sam's adoptive mother safe through winter But when a Leprechaun horns in on the unicorn hunt and tricks Sam into forming a hunter's guild Sam is suddenly burdened by an overabundance of people Setting off to hunt one horned murder beasts with an annoying leprechaun and a nerdy half ogre is bad enough But when you add in a betrayal by the seductive siren Sam has loved since childhood and the machinations of a rich human politician well Sam's simple lonely little life just got a whole lot more complicated Author's Note I love reverse harem but I got sick of reading the same old tropes In my books you will find atypical characters and varied sexuality In general you probably won't find many alpha males or fainting females The Not Quite series is a harem reverse harem urban fantasy series of novellas between 35 000 45 000 words and contains the following adult language and lots of it moderate levels of violence gore action graphic sexual situations polyamory multiple lovers LBGTQ and straight themes the main character is intersex and will have both male and female lovers and this is a harem so expect M F M M F F MMMFF etc as usual my characters all have their own emotional scars This means the book MAY contain mentions of abuse unpleasant situations etc Please do not read if you are triggered by things like this This is a series so while there will always be a complete plot cycle of some kind there may be a lead in to the next book The book does not end on a Cliffhanger where the action stops right in the middle with no resolution like some books tend to these days The main plot arc is brought to a FOR NOW conclusion and there is a set up for the next book If you aren't in to that please pass on by
