Science Fiction Video Games Neal Roger Tringham, 2014-09-10 Understand Video Games as Works of Science Fiction and Interactive Stories Science Fiction Video Games focuses on games that are part of the science fiction genre rather than set in magical milieus or exaggerated versions of our own world Unlike many existing books and websites that cover some of the same material this book emphasizes critical a

Significant Zero Walt Williams, 2017-09-19 From the award winning video game writer of such hits as Star Wars Battlefront and BioShock comes an exclusive compelling look into a world that doesn't like to spill its secrets to outsiders NPR the video game industry When his satirical musings in a college newspaper got him discharged from the Air Force it became clear to Walt Williams that his destiny in life was to be a writer he just never thought he'd end up writing video games including some of the biggest franchises today A veteran video game narrative designer Williams pulls back the curtain on an astonishingly profitable industry that has put its stamp on pop culture and yet is little known to those outside its walls As Williams walks you through his unlikely and at times inglorious rise within one of the world's top gaming

companies he exposes an industry abundant in brain power and out sized egos but struggling to stay innovative Significant Zero also provides clear eyed criticism of the industry s addiction to violence and explains how the role of the narrative designer is crucial for expanding the scope of video games into more immersive and emotional experiences Significant Zero is a rare and illuminating look inside the video gaming industry in all its lucrative shine and questionable morality and provides a refreshing and realistic portrayal of succeeding at attaining a dream via an unforeseen career trajectory Booklist
