A. Henty G. A. Henty, 2022-11-13 The Collected Works of G A Henty is a compendium of historical adventure novels that exemplifies the late 19th century literature characterized by its didactic approach and heroism Henty a master of narrative weaves immersive tales that transport readers to tumultuous periods of history blending factual events with vibrant storytelling Set against a backdrop ranging from the Roman Empire to the Victorian era each tale is imbued with themes of courage resilience and moral integrity designed to inspire and educate young readers about the past while instilling an appreciation for values of bravery and loyalty Henty's mastery of detail enliven historical settings making them appear not only educational but thrillingly real G A Henty a British author and war correspondent drew much of his inspiration from his own adventurous spirit and experiences notably his involvement in various military campaigns Living in an era that heralded both imperial expansion and industrial growth Henty became an advocate for the British Empire's ideals and was deeply influenced by the Victorian values of his time His commitment to portraying valor and integrity in youth reflected his belief in the publishing power of stories to mold character and instigate positive societal impact This collection is an essential read for anyone intrigued by historical fiction that artfully combines entertainment with education Henty's works remain relevant not merely as stories of the past but as timeless illustrations of humanity's enduring capacity for heroism Readers seeking both adventure and a deeper understanding of historical contexts will find themselves captivated by Henty's prose making this compilation a significant addition to any literary collection      **History of the Liverpool Privateers and Letter of Marque** Gomer Williams, 2013-11-26 First Published in 1967 Using a number of original sources of newspapers rare documents magazines and records this book offers the history of Liverpool privateering and the delicate subject of the Liverpool slave trading      Giving Up on School Margaret Diane LeCompte, 1850 According to LeCompte and Dworkin attempts to decrease dropouts and burnouts have failed because reformers have approached them as two distinct problems The root causes are the same in each and mandate an immediate and drastic reappraisal      **Hints**, 1913      *History of the Liverpool Privateers and Letters of Marque with an Account of the Liverpool Slave Trade, 1744-1812* Gomer Williams, 2004 Williams b 1847 was a writer in Liverpool but apparently not a very successful one This history published in 1897 by William Heinemann in London and Edward Howell in Liverpool seems to be his only published book The slave trade at the port in western England had been abolished nearly a century before he wrote but the privateering continued and had recently surged during the US Civil War Covering first the former then the latter he recounts the histories of the trades through particular people and periods Several
