OVERVIEW The impeachment inquiry into Donald J Trump the 45th President of the United States uncovered a months long effort by President Trump to use the powers of his office to solicit foreign interference on his behalf in the 2020 election As described in this executive summary and the report that follows President Trump s scheme subverted U S foreign policy toward Ukraine and undermined our national security in favor of two politically motivated investigations that would help his presidential reelection campaign The President demanded that the newly elected Ukrainian president Volodymyr Zelensky publicly announce investigations into a political rival that he apparently feared the most former Vice President Joe Biden and into a discredited theory that it was Ukraine not Russia that interfered in the 2016 presidential election To compel the Ukrainian President to do his political bidding President Trump conditioned two official acts on the public announcement of the investigations a coveted White House visit and critical U S military assistance Ukraine needed to fight its Russian adversary During a July 25 2019 call between President Trump and President Zelensky President Zelensky expressed gratitude for U S military assistance President Trump immediately responded by asking President Zelensky to do us a favor though and openly pressed for Ukraine to investigate former Vice President Biden and the 2016 conspiracy theory In turn President Zelensky assured President Trump that he would pursue the investigation and reiterated his interest in the White House meeting Although President Trump s scheme intentionally bypassed many career personnel it was undertaken with the knowledge and approval of senior Administration officials including the President s Acting Chief of Staff Mick Mulvaney Secretary of State Mike Pompeo and Secretary of Energy Rick Perry In fact at a press conference weeks after public revelations about the scheme Mr Mulvaney publicly acknowledged that the President directly tied the hold on military aid to his desire to get Ukraine to conduct a political investigation telling
