

# Soviet Military Strategy

Sokolovskiy, V.D.

Note: This is not the actual book cover

# Soviet Military Strategy

**Jonathan Samuel Lockwood**

## **Soviet Military Strategy:**

**Soviet Military Strategy in Europe** Joseph D. Douglass, 2013-10-22 Soviet Military Strategy in Europe focuses on the development form and content implications for international relations and goal of Soviet military plan in Europe The book first discusses the foundation of Soviet military thought and revolution in Soviet military affairs including basic concepts of the Marxist Leninist ideology Soviet study of military affairs nuclear revolution and scientific and technical revolution The publication also concentrates on Soviet study of laws and principles of military art and forces and primary operational concepts Topics include laws of the first order naval and air operations nuclear strike and conventional war considerations The manuscript ponders on command and control as well as combat modeling survivability coordination centralization and attack of NATO command and control The book also reviews the issues of Soviet military strategy toward Europe and special Soviet problems Topics include role of nuclear weapons chemical warfare options escalation to intercontinental war NATO nuclear threat nuclear weapon stockpile and superiority and war initiation The publication is a dependable reference for readers interested in the Soviet military scheme in Europe

**Soviet Military Strategy** Василий Данилович Соколовский, 1975 *The Military Strategy of the Soviet Union* David M. Glantz, 2001-09 This study of Soviet military strategy is based upon the relationship between the army and politicians as well as Soviet writings on the subject of military strategy Thanks to the policy of glasnost it incorporates Soviet materials hitherto unavailable in the West It should not be considered simply as a retrospective account of what was it forms at least part of the context for what will be in the future

*Military Strategy* Vasiliï Danilovich Sokolovskii, 1972 **Soviet Strategy for Nuclear War** Joseph D. Douglass, Amoretta M. Hoeber, 1979 **The Soviet Art Of War** Harriet Fast Scott, William F. Scott, 2019-07-11 No other nation has invested as much intellectual capital in the study of war as has the Soviet Union over the last six decades and the doctrine strategy and tactics that have been developed by Soviet theoreticians are bound to guide any future Soviet military action The Soviet Art of War makes available to Western readers selections from the most significant and influential Soviet military writings from 1917 to the present The Scotts have examined thousands of Soviet military publications including the restricted journal of the Soviet General Staff *Voyennaya Mysl* to make this book the most comprehensive account of Soviet military theory and practice yet published The papers they have chosen thoroughly illustrate the development of the basic features of Soviet military art from the days of trench warfare to the era of the nuclear battlefield These documents demonstrate the emphasis on surprise on deception on mass deep penetration of enemy defenses and on a unified strategy for all services They also show the forms of military action destruction and attrition defense and offense maneuver and position as seen through the eyes of leading Soviet marshals generals and admirals The usefulness of this material is further enhanced by the Scotts commentary and their analysis of each group of readings

Soviet Military Strategy Vasiliï Danilovich Sokolovskii, 1975

**Soviet Strategic Thought, 1917-91** Andrei A. Kokoshin, 1998-01-15 During the Cold War Westerners were obsessed

with the military policies of the Soviet Union Until the demise of the Soviet Union however few details of Moscow s thinking on military matters were available In this book Andrei Kokoshin reveals how Soviet military theorists developed and debated the concepts that provided the basis for the Kremlin s defense policies Drawing on Soviet era archives and unpublished materials he sheds light on this important chapter in the history of Russia and the world The book covers three main themes the relationship between politics and military strategy in the Soviet Union how the Soviet political and military leadership assessed threats to Soviet security the nature of future wars and methods of warfare and the relationship between offense and defense in Soviet military strategy Kokoshin places the strategic concepts behind Moscow s military policies in the context of internal and international struggles for power and assesses the future role of military power in Russia s national security strategy

**Soviet Strategy in the Nuclear Age** Raymond L. Garthoff,1962 *Military Strategy* Vasiliĭ Danilovich Sokolovskĭ,1963 **Soviet Military Strategy** Zhou Yi,1989 **Issues of Soviet Military Strategy: Issues of Soviet Military Strategy** ,1989 **Military strategy** ,1963 **Double Zero and Soviet Military Strategy** Dennis M. Gormley,1988 *Soviet military strategy* V. D. Sokolovskij,1959 Soviet Strategy John Baylis,Gerald Segal,2021-01-26 This book first published in 1981 is an analysis of the Soviet Union s military strategy taking in both sides of the hawks and doves views of the USSR s intentions It examines the Soviet approach to nuclear war defence and deterrence in the nuclear age and the calculation of risk in the use of the military instrument One of the main themes running through the chapters is that although the Soviet Union clearly does not view military issues in the same way as does the West their approach is not necessarily aggressive and dangerous in all respects **Soviet Military Strategy in Europe** Joseph D. Douglass,1981

The Russian View of U.S. Strategy Jonathan Samuel Lockwood,2017-09-04 Soviet perceptions of U S strategy remained remarkably consistent from the post Stalin period through the collapse of communism in Eastern Europe and the Soviet Union itself The consistency of the Soviet tendency to engage in the mirror image fallacy in their analyses of U S doctrine and strategic intentions has profound implications for the future relationship of the U S and the now independent republics This authoritative volume analyzes the Soviet Russian perspectives of U S strategic evolution from the declaration of the massive retaliation doctrine of 1954 through the Soviet collapse of 1991 The Soviets considered the growth of their strategic nuclear arsenal as the main factor giving them political leverage over U S foreign policy and predicted that a defense policy based on strategic defense would be the most effective deterrent from a Soviet perspective Now the Russian military and political leadership places a high value on strategic nuclear forces in terms of political leverage and prestige Building upon a wide variety of international sources the Lockwoods offer a penetrating assessment of how the present Russian perspective will affect political relationships not only with the U S and the West but also among the independent republics This factor will become ever more critical as they vie for decentralized versus unified control of what was the Soviet nuclear arsenal under the shadow of the collapsing economies The authors also introduce a new theory concerning the future impact of ballistic

missile defense on operational warfare in light of the U S experience in Operation Desert Storm The Russian View of U S Strategy provides a comprehensive historical context and an up to date appraisal of an uncertain and potentially volatile development in U S Russian relations It will be of interest to historians policymakers and military analysts Soviet Strategy at the Crossroads Thomas W. Wolfe,1964 Bogens hovedemne er Sovjets milit re politik og strategi i perioden fra Cuba krisen i OKT 1962 indtil nu 1964 i hvilken periode Sovjet har tilstr bt at udforme en milit rdoktrin der f lger udviklingen p kernev benomr det samt en vis begr nset afsp nding i forholdet til USA **New Developments in Soviet Military Strategy** Andrew C. Goldberg,1987

Uncover the mysteries within its enigmatic creation, **Soviet Military Strategy** . This downloadable ebook, shrouded in suspense, is available in a PDF format (\*). Dive into a world of uncertainty and anticipation. Download now to unravel the secrets hidden within the pages.

## Soviet Military Strategy Introduction

In the digital age, access to information has become easier than ever before. The ability to download Soviet Military Strategy has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Soviet Military Strategy has opened up a world of possibilities. Downloading Soviet Military Strategy provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Soviet Military Strategy has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Soviet Military Strategy. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Soviet Military Strategy. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Soviet Military Strategy, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Soviet Military Strategy has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

---

## FAQs About Soviet Military Strategy Books

1. Where can I buy Soviet Military Strategy books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Soviet Military Strategy book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Soviet Military Strategy books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Soviet Military Strategy audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read Soviet Military Strategy books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
