Spalding Baseball Guide 1904 ,1990-03-01 *Spalding Baseball Guide, 1894* ,1989-04-01 *The Irish and the Making of American Sport, 1835-1920* Patrick R. Redmond,2015-03-07 Jerrold Casway coined the phrase The Emerald Age of Baseball to describe the 1890s when so many Irish names dominated teams rosters But one can easily agree and expand that the period from the mid 1830s well into the first decade of the 20th century and assign the term to American sports in general This book covers the Irish sportsman from the arrival of James Deaf Burke in 1836 through to Jack B Kelly's rejection by Henley regatta and his subsequent gold medal at the 1920 Olympics It avoids recounting the various victories and defeats of the Irish sportsman seeking instead to deal with the complex interaction that he had with alcohol gambling and Sunday leisure pleasures that were banned in most of America at some time or other between 1836 and 1920 This book also covers the Irish sportsman's close relations with politicians his role in labor relations his violent lifestyle and by contrast his participation in bringing respectability to sport It also deals with native Irish sports in America the part played by the Irish in Team USA's initial international sporting ventures and in the making and breaking of amateurism within sport Book Dealers' Weekly ,1925 *The Barry Halper Collection of Baseball Memorabilia: The early years* ,1999 Orator O'Rourke Mike Roer,2006-01-27 As a player manager team captain umpire owner and league president Hall of Famer Jim O'Rourke 1851-1918 spoke for the players in the emerging game of baseball O'Rourke's career paralleled the rise of the game from a regional sport with few strategies to the national pastime Nicknamed Orator for his booming voice and his championing of the rights of professional athletes he was a driving force in making the sport a profession bringing respectability to the role of professional baseball player From contemporary sources O'Rourke's own correspondence and player files available

through the National Baseball Library a rounded portrait of Jim O'Rourke emerges. Quick to speak his mind, the outfielder played on nine pennant-winning teams but his playing career was overshadowed by his work in organizing baseball's first union. After his playing days ended, O'Rourke attempted to establish the Connecticut League, becoming the circuit's president, secretary, and treasurer. Though the league failed to fully materialize, his Bridgeport Victors did play several games and were one of the few racially integrated teams, a fact emblematic of O'Rourke's efforts to change the national pastime. In those efforts, he attempted to wrest control of the game from the owners and empower the players. A carefully researched account of O'Rourke's life and career, this biography also provides a behind-the-scenes look at the growth of the national pastime from the Civil War through the deadball era.
