Spanish Mix and Match provides health care professionals with effective tools to communicate in Spanish with your patients. Relying on more than forty years of teaching experience, author Murnez Blades shares simple, direct methods to learn medical Spanish. Using this program, you can learn to greet and part effectively, extract the information you need from your patients, and further develop your Spanish speaking skills. This guide presents lessons to help you be courteous to your patients and to begin communicating immediately. It includes practice exercises and answers, bilingual tables for mix and match sentence building, a bilingual clinical history structured for yes/no responses, a bilingual intake exam, bilingual translations in word groups for further language acquisition, and conversations using first responder questions. Chapters also include information on communication respect in Hispanic culture and the nature of learning Medical Spanish. Mix and Match can help you find satisfaction in making effective contributions to the health care delivery system through communicating in the language of your patients. This book makes learning medical Spanish easy and fun. I can now communicate effectively with my patients.

Judy Hayes RN *Spanish for Communication, Level 1* Gary A. Milgrom, 2004-01-01 **Contextos** Barbara Freed, Knuts, 1972-01-01 **Spanish and the Medical Interview: Clinical Cases and Exam Review - E-Book** Pilar Ortega, Marco Alemán, 2021-07-10

Offering a practical case-based approach, *Spanish and the Medical Interview: Clinical Cases and Exam Review* is a unique, immersive study and review resource for medical Spanish. It provides extensive training and review in two formats: the print book contains numerous cases spanning a wide variety of clinical settings, formatted as a patient would present for medical attention, while the audio cases provide multiple opportunities to hone your listening comprehension skills. Together, these learning components test your knowledge and skills in caring for Spanish-speaking patients and prepare you for case-based examinations that test clinical skills in Spanish. This first of its kind title is ideal as a stand-alone resource or as a companion to Dr. Ortega's *Spanish and the Medical Interview: A Textbook for Clinically Relevant Medical Spanish*. Helps you improve your interviewing skills, your understanding of patient responses, and your ability to explain a diagnosis and plan of care to Spanish-speaking patients, so you can provide a higher quality of patient care and safety in your practice. Covers multiple presentations of cases in main organ system areas including musculoskeletal, cardiovascular, pulmonary, gastrointestinal, endocrine, genitourinary, neurologic, psychiatric, eye, ear, nose, throat, and pediatric in multiple patient care settings such as urgent care, emergency department, outpatient clinic, and inpatient wards. Focuses on topics that are particularly common in Hispanic/Latino patients and includes cultural health issues that may impact the patient's understanding of medical information, belief system, decision-making preferences, or access to care, all of which have a significant impact on your medical decision-making and interviewing styles and effectiveness. Leads you through key information for each case, prompting you to use your medical Spanish clinical skills in a series of prompts and questions as the case unfolds. Assessment questions follow each case to test your comprehension. Provides more than two dozen audio cases to improve your listening comprehension of different nationalities and accents of Spanish-speaking patients. Provides

real world content from Drs Pilar Ortega and Marco Alem n who serve on the steering committee for the National Medical Spanish Taskforce that aims to standardize the educational approach to a national assessment examination for Medical Spanish Expands your global skills set in your home country when caring for patients who speak Spanish or when caring for patients in other countries through global medicine programs Evolve Instructor site with an image and test bank is available to instructors through their Elsevier sales rep or via request at <https://evolve.elsevier.com>
