

Spanish Pilgrimage

Francis Thomas Furey

Spanish Pilgrimage:

Spanish Pilgrimage Robin Hanbury-Tenison, 1990 The way to Compostella has been trodden by millions of pilgrims seeking salvation in the great Cathedral of Santiago resting place of St James after a long hot and dangerous journey over the mountains arid plains and rich countryside of Spain Robin and Louella Hanbury Tenison made their pilgrimage in a traditional way on horseback often over long forgotten tracks and in the process discovered more about the people and the country than any motorist could know The way was arduous but not without its wild humour In the process Robin came to experience a true green pilgrimage an ecological equivalent of the search for religious faith in medieval man

The Cities of Spain Edward Hutton, 1911 *A Pilgrim in Spain* Aubrey Fitz Gerald Bell, 1924 **Mulatto Outlaw Pilgrim Priest: The Legal Case of José Soller, Accused of Impersonating a Pastor and Other Crimes in Seventeenth-century Spain** John K. Moore, Jr., 2020-03-17 In *Mulatto Outlaw Pilgrim Priest* John K Moore Jr presents the first in depth study critical edition and scholarly translation of His Majesty s Representative v Jos Soller Mulatto Pilgrim for Impersonating a Priest and Other Crimes This legal case dates to the waning days of the Hapsburg Spanish empire and illuminates the discrimination those of black African ancestry could face that Soller did face while attempting to pass freely on his pilgrimage from Lisbon to Santiago de Compostela and beyond This bilingual edition and study of the criminal trial against Soller is important for reconstructing his journey and for revealing at least in part the de facto and de jure treatment of mulattos in the early modern Iberian Atlantic World

Pilgrim Stories Nancy Louise Frey, 1998-12-30 Each year thousands of men and women from more than sixty countries journey by foot and bicycle across northern Spain following the medieval pilgrimage road known as the Camino de Santiago Their destination is Santiago de Compostela where the remains of the apostle James are said to be buried These modern day pilgrims and the role of the pilgrimage in their lives are the subject of Nancy Louise Frey s fascinating book Unlike the religiously oriented pilgrims who visit Marian shrines such as Lourdes the modern Road of St James attracts an ecumenical mix of largely well educated urban middle class participants Eschewing comfortable methods of travel they choose physically demanding journeys some as long as four months in order to experience nature enjoy cultural and historical patrimony renew faith or cope with personal trauma Frey s anthropological study focuses on the remarkable reanimation of the Road that has gained momentum since the 1980s Her intensive fieldwork including making the pilgrimage several times herself provides a colorful portrayal of the pilgrimage while revealing a spectrum of hopes discontents and desires among its participants many of whom feel estranged from society The Camino s physical and mental journey offers them closer community greater personal knowledge and links to the past and to nature But what happens when pilgrims return home Exploring this crucial question Frey finds that pilgrims often reflect deeply on their lives and some make significant changes an artistic voice is discovered a marriage is ended meaningful work is found Other pilgrims repeat the pilgrimage or join a pilgrims association to keep their connection to the Camino alive And some only remain pilgrims while on

the road In all Pilgrim Stories is an exceptional prism through which to understand the desires and dissatisfactions of contemporary Western life at the end of the millennium Feet are touched discussed massaged and become signs of a journey well traveled I did it all on foot Pilgrims give feet a power and importance not recognized in daily life as a causeway and direct channel to the road the past meaningful relations nature and the self

Marian Devotions, Political Mobilization, and Nationalism in Europe and America Roberto Di Stefano, Francisco Javier Ramón Solans, 2016-11-23 This volume examines the changing role of Marian devotion in politics public life and popular culture in Western Europe and America during the nineteenth and twentieth centuries The book brings together for the first time studies on Marian devotions across the Atlantic tracing their role as a rallying point to fight secularization adversarial ideologies and rival religions This transnational approach illuminates the deep transformations of devotional cultures across the world Catholics adopted modern means and new types of religious expression to foster mass devotions that epitomized the catholic essence of the nation In many ways the development of Marian devotions across the world is also a response to the questioning of Pope Sovereignty These devotional transformations followed an Ultramontane pattern inspired not only by Rome but also by other successful models approved by the Vatican such as Lourdes Collectively they shed new light on the process of globalization and centralization of Catholicism

Techniques of Description Gwyneth Fox, Michael Hoey, John M. Sinclair, 2004-01-14 This book is a tribute to Malcolm Coulthard who has been remarkably active and influential across a wide range of English Language Studies He is particularly well known for his pioneering work in spoken and written discourse analysis and most recently for his work in forensic linguistics This collection of specially commissioned state of the art pieces by leading international linguists is dedicated to the man and his achievements and provides a showcase for the most exciting developments in applied discourse studies All the papers share common assumptions about language study that descriptions should be data based data tested and replicable The collection as a whole contains original and important new research on descriptions with intriguing applications to forensic gender and literary studies
