**Because I Said So** Sarah Ockwell-Smith, 2023-09-14 A vital read not just for parents but anyone who values the next generation Psychologies A provocative new book which challenges every aspect of modern parenting Daily Mail Society is making great strides in increasing awareness of oppression and injustice but one group remains mistreated children Commonly recommended parenting and discipline methods treat children in ways that would cause uproar if adults were treated similarly Children's needs and feelings are frequently dismissed and ignored by adults Children are taught to blindly obey adults in the name of respect although respect is so rarely shown to them We are a society that is afraid of treating children kindly as evidenced by the almost constant uproar and ridicule of the gentle parenting movement In this timely book bestselling author and parenting expert Sarah Ockwell Smith blends childcare history sociology psychology and current affairs to raise awareness of childism the unconscious discrimination of children in our world and why it impacts everybody Essential for parents carers teachers and anybody who works with children Because I Said So is both a thought provoking guide and an urgent call to action It will help you to understand your own upbringing and how this has shaped your beliefs and behaviour prompt you to consider the prevalence of childism in society today so that you can change the way you look after the children in your care or reinforce the approach you are already taking and consider how we can transform the way our society treats children to create positive lasting change for generations to come Childism is an issue that has been
