Sparkys Walk:

Sparky's Walk Rick Arruzza,2003-01-01 An adopted pit bull pointer mix named Sparky enjoys a nightly walk around her neighborhood that is anything but uneventful

Sparky Wendy Shymanski,2009-12 It is springtime in the Khutzeymateen Valley of northern British Columbia and the rainforest has again come alive after a long winter s nap A new addition to the valley is Sparky a frisky mischievous grizzly bear cub eager to explore the world the bears call Waipo During Sparky s first summer there is much to learn not only from his mother but also from the other creatures of the forest and from nature itself Sparky The World s Most Lovable and Mischievous Bear Cub takes the reader on an intriguing journey into the lives of the elusive grizzly bear as seen through the eyes of a first year cub This novel is based upon factual information and stories recorded by the author over a ten year period of studying and photographing the Khutzeymateen Valley grizzly bears This remarkable harborage is home to hundreds of species of flora and fauna including approximately sixty grizzly bears Shymanski has delicately woven her observations into a playful heartwarming story to delight all ages Sparky The World s Most Lovable and Mischievous Bear Cub is a beautiful magical tale of the mystical Khutzeymateen Valley and the grizzly bears who if they could speak might have told the story themselves

Sparky and Me Dan Ewald,2012-05-08 In the tradition of Tuesdays With Morrie a sportswriter recounts his friendship with legendary Tigers manager Sparky Anderson the man who taught him not only the nuances of baseball but also the importance of life s unwritten rules For decades it seemed like everyone in baseball knew Sparky Anderson and almost all of us considered him a friend But few knew him as Dan Ewald did Here Dan provides a unique look at an endearing man who led a significant life both in and out of the game Bob Costas NBC Sports and MLB Network Few sports figures regardless of their position have generated as much goodwill as Sparky Anderson the legendary manager for the Cincinnati Reds and the Detroit Tigers Sparky met author Dan Ewald in 1979 and thus was born a lifelong friendship not likely ever to be seen again in baseball Along the way Dan never took for granted the front row seat he had to watch one of history s most memorable managers absolute mastery of baseball s nuances and intricacies But the most important things Sparky taught Dan were the unwritten rules of life which he practiced meticulously To Sparky a real professional was as great away from the diamond as he was on it His goal was for his players to be the best husbands fathers and community leaders they could be he believed that was the mark of a winner not the box score Sparky had a gift for taking something as inane as the infield fly rule and turning it into a lecture on how to lead a more meaningful life In 2010 the old friends had planned a get together before the end of the year But Sparky s health was taking a turn for the worse so Dan arranged a three day visit as quickly as he could During their last days together the friends recalled the memories of a lifetime as each prepared silently for their final good bye When that weekend ended Dan had grown to appreciate Sparky more than he ever thought he could In this heartfelt memoir Dan imparts his best friend s spirit through his unforgettable life lessons and stories only the two of them shared There are dozens of great anecdotes from Anderson s

days as a manager of the Cincinnati Reds in the 1970s and the Tigers in the eighties and nineties A moving tribute to a very special friendship Booklist Dan Ewald beautifully captures the magic of Sparky's wit humor and humanity in these pages All baseball fans should read it Mitch Albom New York Times bestselling author of Tuesdays with Morrie and Have a Little Faith No one understood Sparky better than Dan Ewald Managing people in a scope far broader than a pennant race is a rare quality and Sparky understood people their insecurities their motivations This is a great read a great understanding of the humanity of playing baseball Peter Gammons MLB Network

Sparky Sparky Anderson,1991-03 **Sparky and the Waarheid Camera** Stephen DeLuca,2008-11 Sparky and the Waarheid Camera is a darkly comic tale of oddballs subterfuge selfishness and disappointment which contrast with the title character's charming innocence The novel follows Sparky Donnelly a ten year old boy whose superficially idyllic home life is about to shatter Sparky is aware that something is wrong a feeling which he experiences as a vague indefinable dissatisfaction and naively attributes to his television fueled perception that other people are living far more fun and exciting lives than he is This idea obsesses Sparky and triggers an extraordinary dream of an entire day Armed with several hundred dollars and a special camera that purportedly reveals the true essence of things rather than their outward appearance Sparky gets a taste of a wide spectrum of dysfunctional and perverse adults in his travels The conversations that ensue from these surreal encounters serve up slyly ironic and raunchy humor including some unwittingly sardonic observations by Sparky himself

They Call Me Sparky Sparky Anderson,Dan Ewald,1998 Sparky Anderson managed the Detroit Tigers and the Cincinnati Reds through 26 seasons he is the only manager to pilot World Series championship teams in each league the only one to win 100 games during a season in each and the only manager to lead two different franchises in total victories Yet he remains a regular guy with simple tastes and unaffected values This book alternates Anderson's first person observations and bits of inspiration with the biographic narrative of longtime Tigers PR director Dan Ewald
