Loss and Gain Saint John Henry Newman,1881 **Loss and Gain** John Henry Newman,1919 *The Fifth Fiasco, or How to Escape the Traps of Jewish History in the Twenty-First Century* David Passig,2021-05-04 This book goes on a journey into alternative retellings of Jewish history in order to discover its patterns which might give us clues about the future It proposes exploring these versions of history as an intellectual exercise to come to terms with the traumas of the past and to prevent repeated tragedies in the future This book identifies the direction in which the Jewish people and their future leaders will develop Since the Jewish people have never experienced modern sovereignty before it promises to usher in far reaching changes Making a diagnosis of a national neurosis as the cause for four previous fiascos in Jewish history the book explains what must be done in the twenty first century to prevent the dark forces of the past from recurring and explores the changes awaiting the Jewish religion and nation in the Land of Israel
