The Diamond Frontier:

The Diamond Frontier John Wilcox, 2006 Artisanal Diamond Mining Koen Vlassenroot, Steven van Bockstael, 2008
Effective development of artisanal diamond mining communities must be based on a thorough understanding of the inherent complexities that characterise the sector This research coordinated by the Egmont Institute and undertaken in support of the KPCS Working Group on Alluvial Artisanal Producers currently chaired by Angola involved many of the leading thinkers in this field It makes a significant contribution to our knowledge on the sector laying the foundations for a concerted work programme This study does not underestimate the challenges this sector poses However it emphasises the critical importance of this task because the integrity of the KPCS and all it stands for are dependent upon addressing the developmental dimensions of the diamond trade not just policing it *Pecker's Revenge and Other Stories from the Frontier's Edge* Lori Van Pelt, 2005 Fourteen stories of colorful western characters and how they are transformed *Africa - ...* Kegan Paul, Trench, Trubner & Co, 1904 **Africa** Augustus Henry Keane, 1895 *The 1931-1940: American Film Institute Catalog of Motion Pictures Produced in the United States* American Film Institute, 1993 The entire field of film historians awaits the AFI volumes with eagerness Eileen Bowser Museum of Modern Art Film Department Comments on previous volumes The source of last resort for finding socially valuable films that received such scant attention that they seem lost until discovered in the AFI Catalog Thomas Cripps Endlessly absorbing as an excursion into cultural history and national memory Arthur Schlesinger Jr *South Africa* Augustus Henry Keane, 1904 **National Petroleum News** , 1926
The Diamond's Ace Tom F. Cunningham, 2001 During 1999 a major story in the news was the Orkney Homecoming The Orkney Homecoming was a celebration in Scotland which attracted a large number of visitors from all over the world with a powerful contingent from the First Nations of northern Canada claiming descent from Hudson Bay Company employees recruited in the Orkneys Unfamiliar faces but with incongruously familiar last names A new bond of friendship between two very different peoples has clearly been forged This event is merely the latest manifestation of a more ancient bond between two kindred peoples the Scots and the Native Americans linked forever by parallel histories in which a bitter legacy of massacres subjugation forced removals and enforced acculturation have all had their part an affinity of spirits and a unique coincidence of destinies This book seeks out to catalogue the many links which exist between the Scots and the Native Americans placing special emphasis upon those interactions which have taken place on Scottish soil and on those Native Americans who swimming against the tide of mass emigrations in the opposite direction have in the course of several centuries made their way to Scotland for different reasons **Diamond Frontier** Edmund L.
