

The Real Story

Thomas Jackson Woofter (Jr.)

The Real Story:

Homer's Iliad: The Real Story John D. Martin, 2025-07-30 For the nearly three millennia since its creation the Iliad's Real Story has gone undiscovered. Homer, a blind poet as antiquity believed him to be, created a powerful war story which must have enthralled his listening audiences. But this story concealed another one far grander in design and immensely more clever in execution which can be discovered only by careful examination of the written text. Living in an age where literacy was minimal, Homer created this story for the gods and undoubtedly never expected any mortal to understand it. Homer's imaginative fantasy radically undermines traditional Trojan War mythology and exposes the speciousness of war's glory, the folly of the warriors who supposedly fight for it, and the amorality of the gods who help them do so. Homer's great war poem, great indeed, is in its depths antiwar. In piecing together the Iliad's web of secret plans, deeply hidden motives, and subtle lies and deceptions, and in the process identifying and discarding post-Homeric corruptions to the text, we will find an Iliad which is not a prelude to Achilles' glorious early death and the Fall of Troy, but the opposite. In a concealed ending, towards which the entire story has been leading, Homer's own words will tell us how Achilles, as supplicated by Priam, chooses a long life without renown and goes home. The Greek army, unwilling to fight without its greatest warrior, leaves also sparing peaceful, holy Troy, Zeus' favorite city and best hope for mankind. Homer tells this story with a brilliance that is almost unimaginable until one actually encounters it. The Real Iliad is an immense intellectual challenge and an inexhaustible source of surprises. Far from a formalistically heroic epic, as has long been thought, it is an imaginative expression of the full creative powers of Western antiquity's greatest author.

The Real True Stories of the Fairy Tales Alex Jacobson, 2014-11-12 In this book, The Old Steam Engine, who knows the real stories of what really happened in those fairy tales we all hear, tries to set the record straight. He is, in fact, the real Little Engine that Couldn't. When a little girl named Regan happens upon the old steam engine, he is an abandoned and broken-down steam engine. But he begins to speak to her. He tells her that she has heard the wrong stories about what happened to people like Little Green Riding Hood and Snow Purple. He tells the little girl that Little Green Riding Hood was not helpless and did not need a woodsman to save her. So too, Snow Purple did not need to marry a prince. The real stories of the fairy tales tell children that real people are the heroes of the stories. The uniqueness of the stories appeals to adults as well as children, so that the adults reading the stories will find them fun to read and to discuss with the children.

The True Story Book Andrew Lang, 1893 New Outlook, 1907 **Tower of Skulls** Richard B. Frank, 2020-03-03 A sweeping epic promises to do for the war in the Pacific what Rick Atkinson did for Europe. James M. Scott, author of *Rampage*, in 1937 the swath of the globe east from India to the Pacific Ocean encompassed half the world's population. Japan's onslaught into China that year unleashed a tidal wave of events that fundamentally transformed this region and killed about twenty-five million people. This extraordinary World War II narrative vividly portrays the battles across this entire region and links those struggles on many levels with their profound twenty-first-century legacies. In this

first volume of a trilogy award winning historian Richard B Frank draws on rich archival research and recently discovered documentary evidence to tell an epic story that gave birth to the world we live in now **The True Story of Pocahontas** ,2016-11-30 The True Story of Pocahontas is the first public publication of the Powhatan perspective that has been maintained and passed down from generation to generation within the Mattaponi Tribe and the first written history of Pocahontas by her own people *Scribner's Monthly, an Illustrated Magazine for the People* ,1908 **Broken** Ira Shapiro,2018-01-15 While the hyper partisanship in Washington that has stunned the world has been building for decades Ira Shapiro argues that the U S Senate has suffered most acutely from the loss of its political center In Broken Ira Shapiro a former senior Senate staffer and author of the critically acclaimed book The Last Great Senate offers an expert s account of some of the most prominent battles of the past decade and lays out what must be done to restore the Senate s lost luster Shapiro places the Senate at ground zero for America s political dysfunction the institution that has failed the longest and the worst Because the Senate at its best represented the special place where the Democrats and Republicans worked together to transcend ideological and regional differences and find common ground its decline has intensified the nation s polarization by institutionalizing it at the highest level Shapiro documents this decline and evaluates the prospects of restoration that could provide a way out of the polarized morass that has engulfed Congress With a narrative that runs right through the first year of the Trump presidency Broken will be essential reading for all concerned about the state of American politics and the future of our country The Bookman ,1910 **How to Write a Short Story** Leslie W. Quirk,1911 The American Year Book ,1916 **Catalogue of Title-entries of Books and Other Articles Entered in the Office of the Librarian of Congress, at Washington, Under the Copyright Law ...
