The Republican Roosevelt

E Durkheim

The Republican Roosevelt:

The Republican Roosevelt John Morton Blum, 1977 This is a book about politics and politicians about elections lawmaking governing and how they work It is also about power its increasing concentration in American society and its implications at home and abroad especially for those who exercise it It is a book about the Republican Party during the period in which it developed the forces and frictions which still characterize it today Finally it is a book about a remarkably successful and vibrant man who contained within himself much of the best and the worst of his environment who contributed generously to American life who knew in his time disappointment temptation and pain but also glory a man remembered most by his intimates for the fun of him The author is in an enviable position to assess these matters During five years as Associate Editor of The Letters of Theodore Roosevelt he read and studied all TR s letters as well as all his published works and delved deeply into the relevant literature of the period including the vast material in the Congressional Record From this rich store John Morton Blum has drawn a new interpretation of Roosevelt the conservative Roosevelt the professional Republican politician and Roosevelt the leader of men He presents new material on Roosevelt s work as the manager of the Republican Party and as manager of Congress He relates Roosevelt s roles in these situations to his conduct of foreign policy a foreign policy so anticipatory of that of contemporary America and to his Progressiveness a doctrine of government with strong affinities to both the New Deal and the New Crusade

The Republican Roosevelt John Morton Blum, 1964 **The Republican Roosevelt** John Morton Blum, 1980 **The Republican Roosevelt** John Morton Blum, 1954 **The Republican Roosevelt** John Morton Blum, 1967 **The Republican Roosevelt** John Morton Blum, 1965 **The Republican Party in the Age of Roosevelt** Elliot A. Rosen, 2014-02-21

Elliot Rosen s Hoover Roosevelt and the Brains Trust focused on the transition from the Hoover administration to that of Roosevelt and the formulation of the early New Deal program Roosevelt the Great Depression and the Economics of Recovery emphasized long term and structural recovery programs as well as the 1937 38 recession Rosen s final book in the trilogy The Republican Party in the Age of Roosevelt situates distrust of the federal government and the consequent transformation of the party Domestic and foreign policies introduced by the Roosevelt administration created division between the parties The Hoover doctrine which sought to restrict the reach of independent agencies at the federal level in order to restore business confidence and investment intended to reverse the New Deal and to curb the growth of federal functions In his new book Elliot Rosen holds that economic thought regarding appropriate functions of the federal government has not changed since the Great Depression The political debate is still being waged between advocates for direct intervention at the federal level and those for the Hoover ethic with its stress on individual responsibility The question remains whether preservation of an unfettered marketplace and our liberties remain inseparable or whether enlarged governmental functions are required in an increasingly complex national and global environment By offering a well researched account of the antistatist and nationalist origins not only of the debate over

legitimate federal functions but also of the modern Republican Party this book affords insight into such contemporary political movements as the Tea Party Theodore Roosevelt, the Man to Lead the Republican Party to Victory William Hamlin Childs,1916 **Unreasonable Men** Michael Wolraich,2014-07-22 The gripping tale of a few progressive Republicans whose revolt against their own party started the war between Progressives and Conservatives that now defines modern American politics The Republican Party. A History of Its Fifty Years' Existence and a Record of Its Measures and Leaders, 1854-1904 ... With a Foreword by President Roosevelt, and Introductions by William P. Frye ... and J.G. Cannon Francis CURTIS,Joseph Gurney CANNON,William Pierce FRYE,Theodore ROOSEVELT (President of the United States of America.),1904 Letter of Theodore Roosevelt Accepting the Republican Nomination for President of the United States Theodore Roosevelt,1904 **The Republican Party (U.S. : 1854-)** James Albert Woodburn,1914 **The American Review of Reviews** ,1908 **The American Review of Reviews** Albert Shaw,1912 **Official Report of the Proceedings of the ... Republican National Convention** ,1912 The Nation ,1916 Collier's New Encyclopedia ,1921 **The "Socialist" Roosevelt, Savior of the System** William McDevitt,1912 **Woodrow Wilson and His Work** William Edward Dodd,1921 *The American Monthly Review of Reviews* ,1904
