The Right Course Vs Whats Left:

The Right Course Vs. What's Left Richard Hewitt,2001-04 WHY SHOULD ANYONE READ THIS BOOK Will we permit ourselves to live to the fullest or will we choose to become abbreviated human beings It is up to us As we as individuals go so goes the nation Nothing has been promised except equal opportunity for all What is the missing ingredient that causes human beings to become abbreviated The answer is obvious to any reasonable person It is the lack of wisdom wisdom is the proper use of knowledge We have so much knowledge but so little wisdom and truth This book will reveal the source of all wisdom how to approach it and drink deeply of it for a more productive and prosperous life There is a great divide in our nation today between the haves and the have nots The have nots being those without wisdom which is creating a cultural chasm The chasm is widening and separating us from the traditions which made us a great nation The final result has been a developing mob of streetfighters of crudeness crassness and cheapness There is a better way at our fingertips and we can have it It is our inherent right to possess it
