

The Tempest

About *The Tempest*

The *Tempest* is the story of Prospero, a wise old magician who, with the help of his daughter, regains his stolen dukedom and betrothes his daughter to the Prince of Naples.

Written around 1611, *The Tempest* is the last play Shakespeare wrote. Many believe that Prospero's final speech in the play's epilogue is Shakespeare's own farewell speech as a playwright.

This play is one of Shakespeare's four romances. A major theme is restoration of honor. In *The Tempest*, Prospero regains his dukedom, and Alonso, King of Naples, regains his lost son. Another major theme is power—the power of nature and of magic, the power to forgive, the power to enslave and set free, and dreams of power.

The Tempest is one of a few of Shakespeare's plays that does not seem to have a single source. At the time Shakespeare wrote the play, the English were exploring the “new world.” Shakespeare had heard tales of shipwrecks and stories of native people; these may have contributed to his writing of this play.
