Unsuitable Job For A Woman:

An Unsuitable Job for a Woman P. D. James, 2015 *An Unsuitable Job for a Woman* P. D. James, 1989 *An Unsuitable Job for a Woman*. [performed by Anna Massey, Judi Bowker and Cast]. Phyllis Dorothy James, 1998 *The Cambridge Companion to Crime Fiction* Martin Priestman, 2003-11-06 This Companion covers British and American crime fiction from the eighteenth century to the end of the twentieth As well as discussing the detective fiction of writers like Arthur Conan Doyle Agatha Christie and Raymond Chandler it considers other kinds of fiction where crime plays a substantial part such as the thriller and spy fiction It also includes chapters on the treatment of crime in the eighteenth century literature French and Victorian fiction women and black detectives crime on film and TV police fiction and postmodernist uses of the detective form

British Women Mystery Writers Mary Hadley, 2015-10-02 Many aspects of British detective fiction are intriguingly different from the American detective fiction And confusingly many of the British women detectives who have made it to American television are far from typical of the latest women detectives This work is a study of British detective fiction with female protagonists written by women Authors included are P D James Jennie Melville Liza Cody Val McDermid Joan Smith and Susan Moody Special attention is paid to the evolution of the British female sleuth from the 1960s to the year 2000 particularly the 1980s and how this shaped and altered detective fiction Also discussed is the effect of the British judicial system and gun laws on detective fiction and real life the types of crimes women detectives usually investigate why certain directions have been taken and which ones may be taken in the future issues being raised by the authors and new women authors of detective fiction with female protagonists **An Unsuitable Job for a Woman , Unsuitable Job for a Woman** P. D. James, 1982-12-01 P D James is the reigning mistress of murder Time Handsome Cambridge dropout Mark Callender died hanging by the neck with a faint trace of lipstick on his mouth When the official verdict is suicide his wealthy father hires fledgling private investigator Cordelia Gray to find out what led him to self destruction What she discovers instead is a twisting trail of secrets and sins and the strong scent of murder An Unsuitable Job for a Woman introduces P D James s courageous but vulnerable young detective Cordelia Gray in a top rated puzzle of peril that holds you all the way The New York Times **Detective Agency** Priscilla L. Walton, Manina Jones, 1999-05-31 A fun book about genre fiction and the ways women have appropriated the hard boiled tradition of Sam Spade Philip Marlowe and Mike Hammer and the writings of Hammet Chandler Spillane and others A story of texts movies TV shows and publishing it goes quite beyond textual analysis A bit like Jan Radway s and Tania Modleski s analysis of culture in the making and we ll probably have blurbs from both on the cover of our book *Feminism in Women's Detective Fiction* Glenwood Irons, 1995-12-15 Names such as Sherlock Holmes Hercule Poirot and Sam Spade are perhaps better known than the names of the authors who created them The woman detective has also had worldwide appeal yet with the exception of Christie s Miss Marple the names of female detectives and their authors have only recently gained wide attention through the popularity of Marcia Muller Sue Grafton

and Sara Paretsky The essays in this collection grapple with a wide range of issues important to the female sleuth the most important perhaps being the oft heard challenge to her suitability for the job Not surprisingly gender issues are the main focus of all the essays indeed in detective novels with a woman protagonist these issues are often right at the surface Some of the papers see the female sleuth as an important force in popular fiction but many also challenge the notion that the woman detective is a positive model for feminists They argue that fictional female sleuths have lost the otherness that a feminine approach to the genre should encourage Collectively the essays also reveal the differences between British and American perspectives on the woman detective
