J. M. Ombati Simon

The Honor Code Byron Rivers, 2016-07-15 Four boys grow up in the streets of Detroit and want to make a difference but their first attempt at protecting society from harm leaves them broken and defeated Through the guidance of their leader Javier Tate they learn to master the art of war They remain close as they grow into manhood but after college all go their separate ways Javier joins the Navy and becomes a highly decorated SEAL Gilbert Gist a Christian becomes a Secret Service Agent Allan Peoples becomes a Marine platoon leader while Jordan Flood roguish and streetwise joins the C I A After eighteen years apart it s time to reunite when Javier marries his college sweetheart They all anticipate a week of fun and leisure when they finally meet up again but plans change when Gilbert is called to guard Roosevelt Hunter the 46th President of the United States Three months in office have yielded two attempts on his life and innocent people like Zach Winfrey are languishing in prison for crimes they didn t commit Javier senses foul play and is itching to come out of retirement but solving this huge conspiracy requires the talents of each other For Javier it s personal for Jordan its pride for Gilbert it s a calling but Allan has fought enough Despite varying motivations they go on their first mission to defeat the culprits and all are pushed to the limit while attempting to stop a cynical world order from taking root Iron sharpens iron in the process but one carries a dark secret that can t be revealed to anyone

Kenya the Beloved J. M. Ombati Simon, 2012-08 Kenya the Beloved is a book written with love The book is about one man s love for his country Kenya It is about his vision and desire to see justice peace and freedom in his country In this book the author Job Ombati tries to remind his fellow countrymen where they have come from He tries to tell a story of their conquest of injustice and their development and progress that they made since independence As he takes you from the The Day Before he shows you how peaceful the country was before the arrival of the colonialist The book describes well how Kenyan people fought the colonialist and won their freedom It tells who was who and how they participated in the struggle Kenya The Beloved tells how white men came to Kenya as missionaries Visitors and turned to be colonialists It tells how hospitable Kenyans were to have welcomed the Visitors without knowing their hidden agenda After realizing that the Visitors had ill motives the Africans united against him and started a revolt This revolt did not take one face as many might think It took different people with different approaches to dismantle colonialism completely from Kenya This is an important point that the book raises because many other books have been written pointing to only one movement called Mau mau as being the only revolt that was used to oust colonialists Kenya the Beloved says that that is not entirely true The

book also tells what was at stake and why the Africans of Kenya had to fight In wildlife the book tells that animals in Kenya were plenty and beautiful before and after the colonialists He then tells how even these animals fought for freedom like every other Kenyan The book illustrates how well and peaceful the country was before December 27 2007 when it says things fell apart Job does not leave you there stranded as to what to do next he gives you hope Job tells how things can be turned around for the better of all the people He says that even though things have gone terribly wrong people can still rise and mend fences for the future generation Above all this book is an historical account of some events and freedom struggle for the people of Kenya This is a book of hope It is a book that tells vividly the way some people think and the practical way of solving our many problems in the world Reading this book raises one s hope and inspires action for the common good of all humanity Job Ombati believes that if all men can think positive if all men can start acting with love of one another the world will be a better place for all to live in It is with such kind of thinking that he wrote this small book Kenya The Beloved It will challenge and inspire you to the end
