Bridging Australia and Japan: Volume 2 Keiko Tamura, Arthur Stockwin, 2020-08-23 This book is volume two of the writings of David Sissons who first established his academic career as a political scientist specialising in Japanese politics and later shifted his focus to the history of Australia Japan relations In this volume we reproduce his writings on Japanese politics the Pacific War and Australian war crimes trials after the war He was a pioneer in these fields carrying out research across cultural and language borders and influenced numerous researchers who followed in his footsteps Much of what he wrote however remained unpublished at the time of his death in 2006 and so the editors have included a selection of his hitherto unpublished work along with some of his published writings Breaking Japanese Diplomatic Codes edited by Desmond Ball and Keiko Tamura was published in 2013 and the first volume of Bridging Australia and Japan was published in 2016 This book completes this series which reproduces many of David Sissons writings The current volume covers a wide range of topics from Japanese wartime intentions towards Australia the Cowra Breakout and Sissons early writings on Japanese politics Republished in this volume is his comprehensive essay on the Australian war crimes trials which influenced the field of military justice research Georgina Fitzpatrick and Keiko Tamura have also contributed essays reflecting on his research Sissons was an extraordinarily meticulous researcher leaving no stone unturned in his search for accuracy and completeness of understanding and should be considered one of Australia s major historians His writings deal not only with diplomatic negotiations and decision making but also the lives of ordinary and often nameless people and their engagements with their host society His warm humanity in recording ordinary people s lives as well as his balanced examination of historical incidents and issues from both Australian and Japanese perspectives are hallmarks of his scholarship

Conquer We Must Robin Prior, 2022-01-01 A major new account of Britain s military strategy between 1914 1945 including the two world wars and everything between The First and Second World Wars were separated by a mere two decades making the period 1914 1945 an unprecedentedly intense and violent era of history But how did Britain develop its complex military strategy during these wars and how were decisions made by those at the top Robin Prior examines the influence politicians had on military operations in the first history to assess both world wars together Drawing uniquely on both military and political archives and previously unexamined sources Prior explores the fraught relationships between civilian and military leaders from Lloyd George s remarkably interventionist stance on military tactics during the First World War to Churchill s near constant arguments with American leaders during the Second Conquer We Must tells the complex story of this military decision making revealing how politicians attempted to control strategy but had little influence on how the army navy and air force actually fought
