Good Gumption, Or, the Story of a Wise Fool ... Charles Augustus Jenkins,1907 **The Wedding in Ancient Athens** John Howard Oakley,Rebecca H. Sinos,1993 The Wedding in Ancient Athens is the first book to reconstruct the stages of the ancient Greek wedding ceremony using a long neglected source of information vase paintings from the sixth through fourth centuries B C In order to elucidate the entire ceremony from the preparations for the wedding to the rituals performed on the day after the wedding night John H Oakley and Rebecca H Sinos incorporate copious illustrations of Athenian vases in their analysis supplementing evidence drawn from contemporary Greek literature The weddings rendered on the vases evolve through time from formal scenes of the wedding procession on black figure vases to later red figure scenes offering more intimate views of the bride as she prepares her adornments In these later scenes the authors point out Greek women appear as more than just passive objects of men's manipulations they possess their own powerful and divinely sanctioned means of seduction The evidence of wedding scenes on vases of both eras is valuable for several reasons Some vases depict aspects of the wedding that are not clearly portrayed in literature thus supplying a better understanding of each stage of the ceremony Vases also offer insight into Athenian attitudes toward the wedding suggesting a perspective different from that provided by Greek literature The book includes scenes that represent real life scenes that are clearly mythological and also some tableaux that blur the distinction between mortals and gods or heroes suggesting the idealized state in which mortals appeared when engaged in rituals with divine prototypes The Wedding in Ancient Athens is as enjoyable as it is informative Oakley and Sinos thoroughly explore Athenian wedding iconography and interpret it so that the ceremony can be appreciated by a modern audience BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved LIFE,1971-11-12 LIFE Magazine is the treasured photographic magazine that chronicled the 20th Century It now lives on at LIFE com the largest most amazing collection of professional photography on the internet Users can browse search and view photos of today's people and events They have free access to share print and post images for personal use Success,1922
