narrative is an invitation to both the mind and soul urging readers to revisit the fundamental lessons of compassion love and wisdom that have withstood the test of time and continue to guide human behavior and thought *What Did Jesus Teach?* James Wiggins,2010 Parables are the main method Jesus used to convey deep spiritual truths to His listeners then and His readers today The question is do we really understand what He meant Have you ever read through some of the stories Jesus told and thought What does that mean Have you ever wished you could understand the symbolism Jesus used or know what the real message was of Jesus lessons What Did Jesus Teach can help you understand these questions and many more Prepare to use this as an aid to your Bible study and to gain additional insight into Jesus parables It can help you come to a deeper understanding of what Jesus wanted you to know and how to apply it to your everyday life **What Jesus Taught** O. Widtsoe,2018-06-14 This is a must read for every Christian Excerpt from the book No other teacher in the history of the world has wielded so profound an influence upon humanity as has Jesus the Christ Practically the whole world has been Christianized His doctrines have entered not only into households but also into governments and nations But the Christianity that prevails generally is the doctrine of Jesus highly merged with the opinions of men Indeed the world s Christianity is often more largely man made than Christ made A perfect knowledge of Jesus cannot be gained however until men learn more about what He Himself taught and less about what scholars have said about His doctrine This little book is an attempt modestly to present in popular form the teachings of Jesus **What Jesus Taught** Dr William L. Owens Thd,William L. Owens,2015-12-03 In the four New Testament Gospels of Mathew Mark Luke and John we have the record of Christ s life death and resurrection We also have what He taught the various people groups He addressed An attempt is made to categorize His teaching into key subjects **What Jesus Taught** Arthur Wakefield Slaten,1922 **What Jesus Taught According to the Gospels** Milton G. Evans,1922 [What Did Jesus Teach?](#) Frank Pierrepont Graves,1919 **What Jesus Really Taught** Mark W. Lansberry,2004-10 Most Christians today practice a religion about Jesus with the emphasis on his sacrificial death on our behalf and very little attention given to what he actually taught during his ministry While the importance of Jesus death for our sake cannot be over emphasized Jesus teachings are also important The spirituality he teaches prepares us for life in the kingdom of God And importantly Jesus teaches us that eternal life begins now in this world If we don t understand our own spirituality in this life we will enter the next unprepared for the fullness of God s kingdom What Jesus Really Taught And Why We Don t Believe It re presents the core of Jesus teaching in a simple engaging way that shows that Jesus teaches us how to have an authentic dynamic spirituality with practical skills for living in this world as well as preparing us for the next The book is brief so that it can be read in one sitting **What You Can Learn From the Teachings of Jesus** David Hawkins,2019-10-29 The teachings of Jesus include one hundred and one didactic lessons and forty parables that challenge the mind and the heart Jesus taught with authority and people listened and learned from him the things they needed to know The didactic lessons teach us who Jesus is how we can be filled with the Holy Spirit what the

nature of sin is what the purpose of prayer is how to serve God and others how to be a good example what things we should avoid in life how to get to heaven and how to be a disciple of Christ The parables illustrate a spiritual or moral truth Understanding a parable requires one to study it diligently and seek to learn its spiritual or moral meaning Parables reveal truth only to those who desire to know what is true and maintain an open mind and eagerness to learn If you can learn all that Jesus taught you will be richly blessed and well prepared to live the best life and travel down the narrow road that leads to heaven
