What Really Happened:

The Gospel Miracles: What Really Happened? Michael J. Lowis, 2014-12-11 The Gospel Miracles examines the thirty five miracles performed by Jesus as reported in the four Gospels. The objectives are firstly to try and determine what really happened at the time they were enacted and secondly to see if it is possible to explain them. This exercise is neither an attempt to deny miracles nor to blindly accept the accounts as inerrant but it is an unbiased attempt to arrive at the truth. The findings conclude that sometimes there are possible naturalistic or simple alternative explanations to a supernatural one. However, this does not discount the possibility that Jesus employed natural means at the right time for the right reasons. The Gospel Miracles concludes with a summary of some more modern reports of miraculous events.

What Really Happened in the Garden of Eden? Ziony Zevit, 2013-11-26 A provocative new interpretation of the Adam and Eve story from an expert in Biblical literature. The Garden of Eden story, one of the most famous narratives in Western history, is typically read as an ancient account of original sin and humanity's fall from divine grace. In this highly innovative study, Ziony Zevit argues that this is not how ancient Israelites understood the early biblical text. Drawing on such diverse disciplines as biblical studies, geography, archaeology, mythology, anthropology, biology, poetics, law, linguistics, and literary theory, he clarifies the worldview of the ancient Israelite readers during the First Temple period and elucidates what the story likely meant in its original context. Most provocatively, he contends that our ideas about original sin are based upon misconceptions originating in the Second Temple period under the influence of Hellenism. He shows how, for ancient Israelites, the story was really about how humans achieved ethical discernment. He argues further that Adam was not made from dust and that Eve was not made from Adam's rib. His study unsettles much of what has been taken for granted about the story for more than two millennia and has far-reaching implications for both literary and theological interpreters. Classical Hebrew in the hands of Ziony Zevit is like a cello in the hands of a master cellist. He knows all the hidden subtleties of the instrument and he makes you hear them in this rendition of the profoundly simple story of Adam, Eve, the Serpent, and their Creator in the Garden of Eden. Zevit brings a great deal of other biblical learning to bear in a surprisingly light-hearted book. Jack Miles, author of *God: A Biography*.

What Really Happened Rielle Hunter, 2012-06-22 The John Edwards Rielle Hunter affair made headlines for years. One of the biggest political scandals of all time, a fall from grace, a modern-day tragedy, it's a story that has been reported, distorted, and spun over and over again by the media, by political aides, by the U.S. government, by supposed friends. However, there is someone who actually knows the truth, someone who lived it from day one: the woman at the heart of the story itself, Rielle Hunter. In the *New York Times*, *Wall Street Journal*, and *Publishers Weekly* bestseller *What Really Happened*, Hunter offers an extremely personal account of her relationship with John Edwards, the facts of how they actually met, how their accidental love started and escalated, what it was like to fall in love with a married man who decided to run for president, the surprise of becoming pregnant during the campaign, how the affair became public, the extensive cover-up, and finally what
