What Time Does:

What Time Is This Place? Kevin Lynch, 1976-10-15 A look at the human sense of time a biological rhythm that may follow a different beat from that dictated by external official objective timepieces Time and Place Timeplace is a continuum of the mind as fundamental as the spacetime that may be the ultimate reality of the material world Kevin Lynch's book deals with this human sense of time a biological rhythm that may follow a different beat from that dictated by external official objective timepieces The center of his interest is on how this innate sense affects the ways we view and change or conserve or destroy our physical environment especially in the cities
