What We Have Lost

Chao Zhang

What We Have Lost:

What We Have Lost James Hamilton-Paterson, 2018-10-04 Exquisitely written and ripe with detail Sunday Times An engaging book He knows his British stuff The Times One of England's most skilled and alluring prose writers in or out of fiction has done something even more original London Review of Books WHAT WE HAVE LOST IS A MISSILE AIMED AT THE BRITISH ESTABLISHMENT A BLISTERING INDICTMENT OF POLITICIANS AND CIVIL SERVANTS PLANNING AUTHORITIES AND FINANCIAL INSTITUTIONS WHO HAVE PRESIDED SINCE 1945 OVER THE DECLINE OF BRITAIN'S INDUSTRIES AND REPLACED THE GREAT IN BRITAIN WITH A FOR SALE SIGN HUNG AROUND THE NECK OF THE NATION Between 1939 and 1945 Britain produced around 125 000 aircraft and enormous numbers of ships motor vehicles armaments and textiles We developed radar antibiotics the jet engine and the computer Less than seventy years later the major industries that had made Britain a global industrial power and employed millions of people were dead Had they really been doomed and if so by what Can our politicians have been so inept Was it down to the superior competition of wily foreigners Or were our rulers culturally too hostile to science and industry James Hamilton Paterson in this evocation of the industrial world we have lost analyzes the factors that turned us so quickly from a nation of active producers to one of passive consumers and financial middlemen *What We Have Lost* Robert Lee, 2015-04-19 When the hen lays her eggs the shells are soft and pliable forming their durable armour as they experience the outside world Each of us enters the world with similar flawed and weak shells Our shells are not broken and cracked by life but are formed of the fragments that we encounter piece by piece growing more complete with each experience What We Have Lost is a series of disconnected anecdotes in the lives of a family shaped by extreme poverty These individual narratives chronicle the slow sculpting of the characters as they fuse with their world enveloped in mental illness Molded by their mother's paranoia social isolation and obsessive drive to instill the hunger for learning and sense of duty to others the four siblings evolve in unique and often pathological ways Not knowing or understanding the bonds of familial love Garry Judy Rob and Roger need to discover their own path to personal peace None may make it What We Have Lost exposes the cruelty of poverty It opens up the heart of that world in surprising and convoluted ways The pathos is clear the hidden pleasures need unearthing What We Have Lost is a collection of anecdotes but as you read you will find that they are far from disconnected after all
