The Work of Life Writing G. Thomas Couser, 2021-04-13 Life writing in its various forms does work that other forms of expression do not it bears on the world in a way distinct from imaginative genres like fiction drama and poetry it acts in and on history in significant ways Memoirs of illness and disability often seek to depathologize the conditions that they recount Memoirs of parents by their children extend or alter relations forged initially face to face in the home At a time when memoir and other forms of life writing are being produced and consumed in unprecedented numbers this book reminds readers that memoir is not mainly a literary genre or mere entertainment Similarly letters are not merely epiphenomena of our real lives Correspondence does not just serve to communicate it enacts and sustains human relationships Memoir matters and there s life in letters All life writing arises of our daily lives and has distinctive impacts on them and the culture in which we live

The Oxford History of Life-Writing Patrick Hayes, 2022 This volume is devoted to life writing in English from 1945 to the present day a period in which life writing became an increasingly popular and accessible form

[The Oxford History of Life-Writing](#) Patrick Hayes, 2022-01-06 With the growing urgency of questions about how to claim identity and achieve authenticity life writing started to acquire an unprecedented cultural importance A range of social and economic developments from the publishing boom in memoir writing to the rise of the internet transformed the possibilities for self expression By the end of the timespan covered in this book life writing was no longer something done mainly by important individuals who wrote their autobiography or by sensitive souls who kept a diary It became a truly ubiquitous phenomenon part and parcel of the everyday formation of selfhood Considering a diverse range of texts from across the English speaking world this volume places life writing in relation to wider debates about the sociology and philosophy of modern identity and the changing marketplace of publishing and bookselling Yet in doing so it seeks above all to credit the extraordinary literary inventiveness which the pursuit of self knowledge inspired in this period Major subjects addressed include the aftermath of World War II including responses to the Holocaust the impact of psychoanalysis on biography autofiction autobiography and changing ideas about authentic self knowledge coming out memoirs and the transformation of sexual identity feminist exemplary writing and lyric poetry multilingualism and
