**Marketing with Strategic Empathy** Claire Brooks, 2016-08-03. We are living in an age of continual motion and change, and as a result, traditional strategy planning has become outmoded. Every manager, perhaps even every employee, needs to become a strategist. Every strategist, in turn, needs to develop deep consumer insight or empathy as a basis for flexible strategy formation. This book offers a practical guide on how to develop and implement a systematic process of strategic empathy to lead to greater effectiveness and day-to-day success. *Marketing With Strategic Empathy* is written by Claire Brooks, the CEO of the global consulting firm where the strategic empathy framework and processes were developed. She has applied these in many successful projects for international corporations for more than 10 years.

**Handbook of Research on Retailer-Consumer Relationship Development** Musso, Fabio, Druica, Elena, 2014-05-31. Though based on an economic transition, retailer-consumer relationship is also influenced by non-economic factors and is a context of social interaction. With the emergence of modern merchandising techniques and a rise in large retail companies, consumers have become increasingly vigilant of practice within the retail industry. *Handbook of Research on Retailer-Consumer Relationship Development* offers a complete and updated overview of various perspectives relating to customer relationship management within the retail industry and stimulates the search for greater integration of these views in further research. Offering different angles to analyze the exchange between the retailer and the consumer, this handbook is a valuable tool for professionals and scholars seeking to upgrade their knowledge, as well as for upper-level students.
