[Unveiling the Messiah in the Dead Sea Scrolls](#) Margaret S. King, 2012-01-20 The author is convinced that the early Byzantine Church deliberately cut out sections from an historic text to conceal the truth about the crucifixion of a man they were promoting as their Messiah She solves the mystery by reconstructing the deleted sections King pieces together what happened in Jerusalem during the trial

and attempted crucifixion of the real Messiah and shows that the key passages that were tampered with are actually the missing link that connects the Dead Sea Scrolls to the New Testament Gospels Using those passags and the history of the period she identifies the figures mentioned in the Dead Sea Scrolls
