The Political Crisis and Christian Ethics Ronald H. Stone,2023-09-26 The Political Crisis and Christian Ethics addresses themes in political philosophy in the context of a crisis in democracy after the denial of the 2020 election by the Republican candidate for president The refusal to accept the results of the election divided the electorate and drove the president s followers to fail in their attempted coup attempt in January of 2020 Democracy is defended in Reinhold Niebuhr s writing on politics and in Barack Obama s use of the theologian s thought It is developed further in the political theory of Paul Tillich The themes of just peacemaking are reviewed in Paul Tillich s critique of John Foster Dulles work and in the author s critique of just peacemaking in the work of Glen Stassen Domestically the issues of race inequality ecology and healthcare are addressed from the perspective of prophetic realism The book concludes in terms of Alfred North Whitehead s philosophy of education and religion and a vision of the good president In summary The Political Crisis and Christian Ethics is a volume of American Christian political theory in a period of overcoming the trauma of 2016 with Christian ethics and political philosophy
