John Warwick Montgomery

The Devils Alibi:

The Devil's Alibi Maurice Desjardins,2003-11-25 Judge Michael Arnold wrote after examining the overwhelming evidence Truth is stranger than fiction and if Mrs Pitezels story is true it is the most wonderful exhibition of the power of mind over matter I have ever seen and stranger than any novel I have ever read For a hundred plus years since the execution of the monster of 63rd St the name of H H Holmes has appeared from time to time in books and newspapers as Americas seminal mass murderer and serial killer Yet to most his legacy of dark deeds still remains an unfathomable mystery The doctor who built a castle in Chicago swindled and did away with an untold number of his guests lives on in infamy Unlike any other novel ever written on the case the story presented here dares to open the door and delve into what has been referred to as the Holmes curse All the true to life characters who lived during those turbulent times contribute to make this journey into the past an exciting adventure impossible to put down

The Devil at Genesee Junction Michael Benson,2015-11-05 Today you d call Ballantyne suburban but back then at the start of the summer of 1966 it was country just a cluster of houses some of them shacks on or near Ballantyne Road in the Town of Chili NY And while June 25 started like any other day it would end in a nightmare In *The Devil at Genesee Junction* veteran crime writer Michael Benson returns to his formerly rural hometown to take on the double homicide of his friends Kathy Bernhard and George Ann Formiciola that took place that night The two girls were missing for a month and then found in the bushes horribly mutilated The double homicide changed the authors childhood suddenly and drastically He went from living in a rural playland to being encased in fear wondering who among them was the werewolf who cut up Kathy and George Ann This heinous crime was never resolved and didnt go away In recent years the author has teamed up with a victims mom and a local private investigator to delve deep into the 6 66 murders developing along the way some strong new leads and shocking details Together they have heated up this icy cold case and their investigation has led them in a startling new direction
