The Right Address:

The Right Address Carrie Karasyov, Jill Kargman, 2004 In this unforgettable tour of the richer and bitchier than thou set a flight attendant snares billionaire divorcee Arthur the coffin king Korn and is catapulted into the creme de la creme of Park Avenue society

The Right Address Carrie Karasyov, Jill Kargman, 2005-03-15 The Right Address sears through the upper crust of New York's glittering Park Avenue scene to dish the dirt on the ladies who lunch the gents who club and the desperate climbers who will stop at nothing to join the backstabbing champagne sipping socialite eat socialite stratosphere When Melanie Sartomsky wily Floridian flight attendant snares billionaire divorcee Arthur the coffin king Korn she is catapulted into the creme de la creme of Park Avenue society where hiring the wrong decorator is tantamount to social suicide and where if you're anyone your personal assistant has a personal assistant But Melanie quickly discovers that in the world of the rich and idle malicious gossip is as de rigeur as owning twenty pairs of Manolo Blahniks And despite her frenzied plunge into the charity circuit and the right dinner reservations her neighbors are Givenchy clad vultures who see her as nothing more than a reinvented trailer trollop To make matters worse when a snide society rag journalist rakes her over the coals Melanie's reputation is toast Meanwhile Melanie is not the only billionaire in the neighborhood coming unhinged Kleptomania adultery plagiarism and a grisly Harlem sex murder are just a few of the secrets swirling under the pedigreed patina of furs and emeralds on Park Avenue Authors Jill Kargman and Carrie Karasyov know a thing or two about their subject matter They met at the Upper East Side's chic Spence School and claim that *The Right Address* is inspired by the insane socialites we've eavesdropped on our entire lives Meow So kick off your Jimmy Choos crack open the Veuve Clicquot and get ready for a rollicking unforgettable tour of the richer and bitchier than thou set

Once, Only Once, and in the Right Place National Research Council, Division of Behavioral and Social Sciences and Education, Committee on National Statistics, Panel on Residence Rules in the Decennial Census, 2006-11-16 The usefulness of the U.S. decennial census depends critically on the accuracy with which individual people are counted in specific housing units at precise geographic locations The 2000 and other recent censuses have relied on a set of residence rules to craft instructions on the census questionnaire in order to guide respondents to identify their correct usual residence Determining the proper place to count such groups as college students prisoners and military personnel has always been complicated and controversial major societal trends such as placement of children in shared custody arrangements and the prevalence of snowbird and sunbird populations who regularly move to favorable climates further make it difficult to specify ties to one household and one place *Once Only Once* and in the *Right Place* reviews the evolution of current residence rules and the way residence concepts are presented to respondents It proposes major changes to the basic approach of collecting residence information and suggests a program of research to improve the 2010 and future censuses

Dancing Without an Instructor Professor Wilkinson, 2019-12-05 In *Dancing Without an Instructor* Professor Wilkinson presents a profound exploration of the interplay between personal

freedom and structured identity in contemporary society Through a blend of lyrical prose and analytical discourse the book critiques the societal constraints that inhibit individual expression Drawing on cultural references philosophical frameworks and historical contexts Wilkinson elucidates the metaphor of dance as a liberating force arguing for a reclamation of agency in a world increasingly dominated by prescribed norms The text invites readers to embark on a cognitive journey where each page dances between theory and personal narrative offering rich insights into the contemporary human experience Professor Wilkinson a distinguished scholar in sociology and cultural studies has dedicated decades to examining the nuances of social identity and personal autonomy His previous works have significantly influenced studies on the dynamics of self expression within oppressive frameworks His insights into the power dynamics of cultural expression are shaped by his own experiences in diverse global contexts revealing a deep seated understanding of the relationship between societal structures and the indomitable human spirit *Dancing Without an Instructor* is a must read for anyone seeking to understand the intricacies of personal agency in a constrained world It serves not only as an academic text but also as a practical guide for aspiring individuals to navigate their unique paths Readers will find themselves engaged challenged and ultimately inspired to dance freely without a choreographer
