*Act now* Common Sense Policy Group, Kate Pickett, Richard Wilkinson, Danny Dorling, 2024-06-25 An inspiring manifesto offering a radical vision for our political future We live in an age of crisis and decline The right presents solutions that only worsen the situation driving a downward cycle in which desperation leads to despair But the left is also to blame progressive politicians have consistently failed to recognise both the urgency of people s need and their receptiveness to new solutions In *Act now* a team of leading researchers presents a compelling and achievable vision for a progressive future They outline clear policies for welfare health and social care education housing and more Arguing for a rolling forwards of the state they call for a new era of active citizenship and economic democracy grounded in robust and resilient institutions Only a comprehensive and integrated approach based on clear evidence of feasibility and popularity can provide a pathway to the secure democratic and prosperous Britain of tomorrow This book is the blueprint It calls on politicians pundits and the British people to act now
