What Makes A Hero:

What Makes a Hero? Elizabeth Svoboda,2013-08-29 An entertaining investigation into the biology and psychology of why we sacrifice for other people Researchers are now applying the lens of science to study heroism for the first time How do biology upbringing and outside influences intersect to produce altruistic and heroic behavior And how can we encourage this behavior in corporations classrooms and individuals Using dozens of fascinating real life examples Elizabeth Svoboda explains how our genes compel us to do good for others how going through suffering is linked to altruism and how acting heroic can greatly improve your mental health She also reveals the concrete things we can do to encourage our most heroic selves to step forward It s a common misconception that heroes are heroic just because they re innately predisposed to be that way Svoboda shows why it s not simply a matter of biological hardwiring and how anyone can be a hero if they re committed to developing their heroic potential

The Republican Hero Michael Lusztig,2023-11-01 Politically speaking do heroes matter Are we living in a post heroic age The Republican Hero addresses both these questions The general tenor of modern thinking is that heroes do matter but that the modern age is characterized by a narrowing of moral horizons once illuminated by heroes secular and spiritual Michael Lusztig argues that the modern world is not post heroic He makes the case that the modern age is the most heroic age if measured in terms of the Aristotelian currency of balance and completeness To this end he identifies four main hero types the epic magnanimous Romantic and common Each can rightfully be called a republican hero each contributes to the promotion or protection or provision of republican values Each exemplifies the heroic virtues of their age However taken conjunctively each contributes to what Lusztig conceives as the complete republican hero of the modern age

Hero Syndrome, Vol. 1 (light novel) Rei Ayatsuki,2024-09-17 THERE ARE TWO SIDES TO EVERY STORY Infected by a mysterious being called the Goddess and transformed into unthinking creatures of havoc and slaughter abominations known as heroes wage an endless war of blind justice on monsters never realizing that these monsters are actually fellow humans Only Charon an elite unit led by a young man named Azuma stands a chance against these terrifying heroes So what might happen when Kaguya a headstrong young scientist joins Charon s ranks and wants to save the heroes rather than defeat them

Bodyguard so successful? An intimate viewing Mela Z., 2019-05-15 Essay from the year 2019 in the subject Art Photography and Film grade 1 0 University of Art and Design Linz Kunstuniversit t Linz language English abstract What makes Bodyguard so successful An intimate viewing When in due time after watching Netflix s Bodyguard simply didn t fade out of my mind it made me a little uneasy I felt compelled to try and find out what was so compelling in there The investigation then became a bit of an obsession in itself which no doubt ran away with me sometimes turning into some dubious lanes here and there Nonetheless it was enjoyable as I hope it is for you too to read Without knowing the whole first season six hours none of this will make sense to you So watch first then enjoy reading the thematic and psychological theories about it For plot theories or discussion of realism plausibility of the action parts look elsewhere My purpose was to look for meaning staying in the characters points of view for a lot of the time rather than to find fault The meaning offered by a completed work is usually not identical with what was intended by its makers And meaning doesn t always emerge by design sometimes things just fall into place Every interpretation that s well reasoned is justified and can be challenged by further argument This is just one viewer s view Summary Part I The main character p 2 assumes that underneath the bodyguard s professional demeanor there is a very sensitive and even childlike soul and it shows up in his body quite a lot if you know where to look We delve into reading the bodyguard s mind and body and end up being a bit unsure about who protects whom here but being a lot surer about our humanity Part II The relationship p 11 tries to draw near to what gets this unlikely pair together at all a theory being that for him it is a very bodily need but not primarily a sexual one associated with his stress disorder This part further points out that their relationship is visually described by two beautifully handled guiding themes the touch of their hands and their partly only symbolic embraces Part III The finale p 21 describes a striking analogy between the bomb vest around David s body and his inner mental powder keg of trauma hurt and the stress of covering it up It deals with death tombs and the underworld a bit like in Greek drama and after having been there getting back to life
