**1974-75 NCTE Guide to Teaching Materials for English, Grades 7-12** National Council of Teachers of English,1974 *L2 Writing Assessment* Anthony Green,2022-12-07 This book tackles three choices that face developers of L2 writing assessments defining L2 writing abilities collecting evidence of those abilities usually by getting L2 writers to write something and judging their performance usually by assigning a score or grade to it It takes a historical view of how assessment developers have made those choices how contemporary practices emerged and of alternative techniques that have risen and fallen over time The three sections each

tackle one of these choices The first considers the social functions that define L2 writing and assessment the second relates how assessment tasks have adapted to changing conceptions of languages writing and assessment and the third explores how scoring systems have evolved Each section brings the reader up to date with current issues confronting writing assessment both in large scale testing and in language classrooms before considering the new opportunities and challenges of the digital age This book will be of interest to students scholars and practitioners in language assessment language education and applied linguistics Writing and Reading Connections Zoi A. Philippakos, Steve Graham, 2022-10-13 Writing skills are essential for success in the 21st century school and workplace but most classrooms devote far more time to reading instruction with writing often addressed in isolation or excluded In this insightful professional development resource and text leading researchers discuss why and how to integrate writing and reading instruction in grades K 12 and beyond Contributors explore how to harness writing reading connections to support learning in such areas as phonics and spelling vocabulary understanding genre and text structure and self regulated strategy development as well as across content areas and disciplines Special considerations in teaching emergent bilingual students and struggling literacy learners are described User friendly features include guiding questions classroom examples and action questions that help teachers translate the research and concepts into practice An NCTQ Exemplary Text for Reading Instruction **B.H.
