E. Cummings' Modernism and the Classics* J. Alison Rosenblitt, 2016-09-22 This volume is a major ground breaking study of the modernist E E Cummings engagement with the classics With his experimental form and syntax his irreverence and his rejection of the highbrow there are probably few current readers who would name Cummings if asked to identify 20th century Anglophone poets in the Classical tradition But for most of his life and even for ten or twenty years after his death this is how many readers and critics did see Cummings He specialised in the study of classical literature as an undergraduate at Harvard and his contemporaries saw him as a pagan poet or a Juvenalian satirist with an Aristophanic sense of humour In *E E Cummings Modernism and the Classics* Alison Rosenblitt aims to recover for the contemporary reader this lost understanding of Cummings as a classicizing poet The book also includes an edition of previously unpublished work by Cummings himself unearthed from archival research For the first time the reader has access to the full scope of Cummings translations from Horace Homer and Greek drama as well as two short pieces of classically related prose a short Alcaics and a previously unknown and classicizing parody of T S Eliot s *The Waste Land* This new work is exciting in its own right and essential to understanding Cummings development as a poet *Greek Civilization* John Purkis, 1999 **World Faiths Encounter** , 2000 **Teach Yourself Ancient Greek Complete Course** Gavin Betts, 2004-04-22 Sightseeing in Sparta Learn Ancient Greek With Teach Yourself it s possible for virtually anyone to learn and experience the languages of the world from Afrikaans to Zulu Ancient Greek to Modern Persian Beginner s Latin to Biblical Hebrew Follow any of the Teach Yourself Language Courses at your own pace or use them as a supplement to formal courses These complete courses are professionally designed for self guided study making them one of the most enjoyable and easy to use language courses you can find Prepared by experts in the language each course begins with the basics and gradually promotes the student to a level of smooth and confident communication including Step by step guide to pronunciation and grammar Regular and irregular verb tables Plenty of practice exercises and answers Practical vocabulary and a bilingual glossary Clear uncluttered
