Teacher In America:

The Teacher Wars Dana Goldstein, 2014-09-02 In her groundbreaking history of 175 years of American education Dana Goldstein finds answers in the past to the controversies that plague our public schools today Teaching is a wildly contentious profession in America one attacked and admired in equal measure In *The Teacher Wars* a rich lively and unprecedented history of public school teaching Dana Goldstein reveals that teachers have been similarly embattled for nearly two centuries From the genteel founding of the common schools movement in the nineteenth century to the violent inner city teacher strikes of the 1960s and 70s from the dispatching of Northeastern women to frontier schoolhouses to the founding of Teach for America on the Princeton University campus in 1989 Goldstein shows that the same issues have continued to bedevil us Who should teach What should be taught Who should be held accountable for how our children learn She uncovers the surprising roots of hot button issues from teacher tenure to charter schools and finds that recent popular ideas to improve schools instituting merit pay evaluating teachers by student test scores ranking and firing veteran teachers and recruiting elite graduates to teach are all approaches that have been tried in the past without producing widespread change And she also discovers an emerging effort that stands a real chance of transforming our schools for the better drawing on the best practices of the three million public school teachers we already have in order to improve learning throughout our nation s classrooms *The Teacher Wars* upends the conversation about American education by bringing the lessons of history to bear on the dilemmas we confront today By asking How did we get here Dana Goldstein brilliantly illuminates the path forward

Spearpoint; Teacher in America Sylvia Ashton-Warner, 1972 Recently she was invited to bring her organic teaching Release the native imagery of our child and use it for working material to an American experimental school on top of the Rockies to implant a new kind of learning in this new kind of school And now with the fresh indeed startling vision of a visitor to a strange planet she pours out her impressions feelings intuitions about the American children she worked with their teachers their schooling their world Inside front cover

The Teachers Alexandra Robbins, 2023-03-14 A National Bestseller A riveting must read year in the life account of three teachers combined with reporting that reveals what's really going on behind school doors by New York Times bestselling author and education expert Alexandra Robbins Alexandra Robbins goes behind the scenes to tell the true sometimes shocking always inspirational stories of three teachers as they navigate a year in the classroom She follows Penny a southern middle school math teacher who grappled with a toxic staff clique at the big school in a small town Miguel a special ed teacher in the western United States who fought for his students both as an educator and as an activist and Rebecca an East Coast elementary school teacher who struggled to schedule and define a life outside of school Robbins also interviewed hundreds of other teachers nationwide who share their secrets dramas and joys Interspersed among the teachers stories a seeming scandal a fourth grade whodunit and teacher confessions are hard hitting essays featuring cutting edge reporting on the biggest issues facing teachers today such as school violence outrageous parent behavior inadequate support staffing and resources coupled with unrealistic mounting demands the myth of teacher burnout the COVID 19 pandemic and ways all of us can help the professionals who are central both to the lives of our children and the heart of our communities

Ms. Moffett's First Year Abby Goodnough, 2004-08-17 Through the compelling sometimes heartbreaking story of one new teacher's experience in a Brooklyn elementary school classroom a NEW YORK TIMES education reporter illuminates the complex dilemmas currently confounding American public education

And Sadly Teach Jurgen Herbst, 1989 To lend weight to his charge that the public school teacher has been betrayed and gravity to his indictment of the educational establishment for that betrayal Jurgen Herbst goes back to the beginnings of teacher education in America in the 1830s and traces its evolution up to the 1920s by which time the essential damage had been done Initially attempts were made to upgrade public school teaching to a genuine profession but that ideal was gradually abandoned In its stead with the advent of newly emerging graduate schools of education in the early decades of the twentieth century came the so called professionalization of public education At the expense of the training of elementary school teachers mostly women teacher educators shifted their attention to the turning out of educational specialists mostly men administrators faculty members at normal schools and teachers colleges adult education teachers and educational researchers Ultimately a history of the neglect of the American public school teacher *And Sadly Teach* ends with a plea and a message that ring loud and clear The plea that the current reform proposals for American teacher education the Carnegie and the Holmes reports be heeded The message that the key to successful school reform lies in educating teacher's true professionals and in

acknowledging them as such in their classrooms **"Teacher" in America** Sylvia Ashton-Warner,1972 One Day, All Children... Wendy Kopp,2008-08-04 From her dorm room at Princeton University twenty one year old college senior Wendy Kopp decided to launch a movement to improve public education in America In One Day All Children she shares the remarkable story of Teach For America a non profit organization that sends outstanding college graduates to teach for two years in the most under resourced urban and rural public schools in America The astonishing success of the program has proven it possible for children in low income areas to attain the same level of academic achievement as children in more privileged areas and more privileged schools One Day All Children is not just a personal memoir It s a blueprint for the new civil rights movement a movement that demands educational access and opportunity for all American children **The Teacher's Voice** Richard Altenbaugh,2005-08-17 Anthology reconstructing the careers of 20th century teachers emphasizing the parts played by crucial social economic and political events and issues the school organization and people who shaped the subjects evolving perceptions of their roles as teachers in a particular community **The Inside Story of the Teacher Revolution in America** Don Cameron,2005-02-17 Cameron former executive director of the National Education Association offers a personal account of the teacher revolution of the 1960s when educators in public school classrooms around the country began to organize He identifies the conditions that sparked this rebellion and follows its trajectory over a forty year period Coverage includes such topics as the challenges of the education reform movement of the 1980s and the failed merger attempt between the NEA and the American Federation of Teachers Distributed in the U S by Rowman Littlefield Annotation 2004 Book News Inc Portland OR booknews com **Escalante** Jay Mathews,1988 Chronicles the remarkable life and work of man who himself and immigrant coached and inspired underprivileged Hispanic students thought to be hopeless to excel to unprecedented standards in mathematics **American Teacher** Katrina Fried,2013 Celebrating educators who go far above and beyond the call of duty American Teacher shines a spotlight on one of the most underappreciated undercompensated yet critically important professions in the world Over the course of two years Katrina Fried has interviewed and written the stories of 50 extraordinary teachers from kindergarten through 12th grade selected from public and charter schools across the United States The result is a collection of inspiring and informative first person narratives accompanied by heartfelt letters from students and captivating portraits taken by celebrated photographers from around the country such as Peter Feldstein Roman Cho Paul Natkin and Laura Straus American Teacher introduces us to classroom heroes like Stephen Ritz of NYC s South Bronx who uses sustainable agriculture as a tool to engage and inspire his neighborhood s most at risk special needs students Rafe Esquith a trail blazing multi award winning educator and author who has spent 31years teaching 5th grade from within the same four walls at Hobart Elementary School in Los Angeles and Iowan Sarah Brown Wessling who s unique learner centered approach to teaching high school English earned her the 2010 National Teacher of the Year award These are our most unsung heroes the men and women responsible for molding and

preparing our children to meet the challenges of the 21st century In the face of increasing class sizes insufficient resources and budget cuts many of our teachers are dipping into their own pockets and personal time to bridge the gap for their students they are finding innovative and engaging solutions to institutional problems and changing the outcome of countless lives in the process Hear their stories see their faces and join us as we pay tribute to their passion and sacrifice

Newman,2004-12 This edition offers prospective teachers a realistic look at teaching The writing is clear and accessible The research base and documentation are the strongest on the market America s Teachers is organized around four parts Part One Teaching as an Occupation goes into depth on motives for teaching the job market teacher salaries and evaluation trends in teacher education teacher organizations and legal issues Part Two Schools and Society offers full chapters on the history philosophy sociology and politics of education emphasizing the effects of increasing cultural diversity Part Three Issues for the Twenty First Century explores the ongoing competition between public schools and private schools and analyzes trends in the curriculum particularly the drive to state standards and high stakes testing

Work Hard. Be Nice. Jay Mathews,2009-01-20 When Mike Feinberg and Dave Levin signed up for Teach for America right after college and found themselves utter failures in the classroom they vowed to remake themselves into superior educators They did that and more In their early twenties by sheer force of talent and determination never to take no for an answer they created a wildly successful fifth grade experience that would grow into the Knowledge Is Power Program KIPP which today includes sixty six schools in nineteen states and the District of Columbia KIPP schools incorporate what Feinberg and Levin learned from

America's best most charismatic teachers lessons need to be lively school days need to be longer the KIPP day is nine and a half hours the completion of homework has to be sacrosanct KIPP teachers are available by telephone day and night Chants songs and slogans such as Work hard be nice energize the program Illuminating the ups and downs of the KIPP founders and their students Mathews gives us something quite rare a hopeful book about education
