### In Pursuit of Excellence

It makes little difference what profession, trade, or business you finally enter, your college education will serve you well. It will help you as much to handle tools and equipment as to render services to your fellow men. A good education is not just a learning experience; it is also the development of the powers of the mind, the formation of character, and instruction in all matters moral.

In the eyes of the world, a college degree has become a prerequisite for high achievement and the passport to success. College attendance is seen as the unique key to personal development, yea, even to self-respect and inner confidence. Unfortunately, this popular view confuses individual success with human dignity and worth, which are qualities of the mind and spirit of every individual. Every human being, regardless of education and success, may have poise and integrity in his or her comportment worthy of respect.

Contrary to popular belief, a college education is not the only passport to success; in a free economy you may rise to fame and fortune through entrepreneurship, which is the creation and operation of business ventures. A school dropout may become the founder of an enterprise, the president of his company, and a captain of industry by

**Biblical Economic Policy: Ten Scriptural Truths for Fiscal and Monetary Decision-Making** David Arnott PhD, Sergiy Saydometov PhD, 2021-09-06 What does the Bible say about economics A lot What about socialism which is becoming an increasingly common concern in US economic policy discussions In Biblical Economic Policy Arnott and Saydometov build a biblical framework for analyzing national economic policy that

takes on everything from taxes to spending to tariffs to minimum wage The Bible has something to say about all these critical present day issues and this book explains how to apply it to 21st century policies Authors Dave Arnott and Sergiy Saydometov hold up the mirror of the Bible and ask their fellow Christians Is this the way we re supposed to run a biblical economy What the book is not It is NOT a financial advice book It is NOT about how to apply business principles at work It is NOT about stewardship or giving It is NOT about how to run your business for the glory of God Biblical Economic Policy takes the macroeconomic view and analyzes how well America s economic policies align with biblical principles This book tackles difficult present day economic policies including taxes spending national debt interest rates and money supply Written with sound biblical grounding in accessible language Biblical Economic Policy will turn the common reader into a biblical economic analyst
