influence and textual studies this book locates its central inquiry in the theoretical questions surrounding the workings of ideology genre and genre ideology in shaping and transforming stories The ten essays included in this volume respond to a general question what can the transformation of Nights stories in their travels tell us about narrative and storytelling and their function in a particular culture Following a Nights story in its travels from past to present from Middle East to Europe and from literature to film the book engages in close comparative analyses of ideological variations found in a variety of texts These analyses allow new modes of reading texts and make it possible to breach new horizons for thinking about narrative This Book was previously published as a special issue of Middle Eastern Literatures entitled Ideological Variations and Narrative Horizons New Perspectives on Arabian Nights

Stories from the Night Land Revised William Hope Hodgson, *Morning and Evening Meditations from the Word of God* Michael J. Akers, 2014-03-18 There are many devotional books available containing brief daily inspirations that benefit all who read them This book is different in two respects The first is obvious it contains two readings per day 732 in all The second more important difference is that the author wanted to do more than offer inspiration this would make this book no different than so many others The messages in the book are study sketches in that the content is not only inspirational but also educational challenging and encouraging Most of these writings were based on author Michael J Akers s teaching of adult Bible studies for more than thirty years and learning what really brought adults to want to deepen their knowledge and application of the Word of God

Besieged James Lasdun, 2012-10-22 James Lasdun s two collections of short stories *Delirium Eclipse* and *Three Evenings* have won him outstanding praise as one of the most distinctive British writers of his generation both as a stylist and as a storyteller His work has been described by the New York Times Book Review as an elegant pathology report on the modern soul and the Village Voice calls his prose art that burrows into troubling new territory even as it glides by like a dream *Besieged* shows his gift for exploring the undertones of contemporary experience at its most haunting and electrically charged Against a variety of stunningly evoked backgrounds from the teeming banks of the Ganges in Varanasi to a homeless shelter in New York these powerful intensely focused narratives reverberate as Michiko Kakutani put it in the New York Times insistently in the reader s mind long after he has finished the book In *Ate Menos* or *The Miracle* a young man takes unscrupulous advantage of a woman who mistakes him for someone else and finds himself enmeshed in her desperate obsessions and nightmares In *The Siege* a wealthy recluse falls in love with the immigrant woman who lives in his basement On discovering she is married and that her husband is a political prisoner he embarks on a course of action that will lead simultaneously to his destruction and to his salvation Two of the stories in this collection were made into major independent film *Ate Menos* was the basis for the film *Sunday* which won the Grand Jury Best Feature Award at Sundance *The Siege* was adapted by Bernardo Bertolucci for his film *Besieged*
