MA, 2024-07-08 This book covers the whole man and how to align the body soul and spirit as one Your purpose and calling are tied together As you discover your purpose you will then discover your calling Your purpose is inside and your calling is outward This book will assist you in the process of preparing first the foundation which begins in the soul The reason people are so unhappy in what they do is that they have not discovered their God given purpose inwardly which is revealed by the Holy Spirit Our purpose is internal and eternal our souls are also internal and eternal God given purpose has to do solely with man s soul It first begins with the soul then outward to one s calling It is important to first develop the soul s purpose as the soul houses the character of the man Man s character will affect positively or negatively man s calling This is the process that the Holy Spirit takes God s people through as He did with Jesus in the wilderness to test His character that is His soul
