Reed, 1995-12 Forthcoming Books Rose Army, 1995 **Three Hundred Sixty-Five Days from Genesis Through Revelation** J. Ellsworth Kalas, 1993 **365 Meditations for Men by Men** Sally D. Sharpe, 2010-09-01 Introduction Man's search for meaning is the primary motivation in his life Viktor Frankl Man's Search for Meaning There is a longing deep within every man's heart to discover meaning and purpose in life to lead a life of significance as opposed to a life of success to live a life of adventure conquest and victory to make a difference and leave a positive enduring mark on the world Yet as Henry David Thoreau observed The mass of men lead lives of quiet desperation Although Thoreau penned these words more than a century ago they still ring true today So many men including devoted Christian men wake up one day and realize they are leading lives of quiet desperation silently losing themselves as they strive to meet unrealistic expectations overcome mounting work and family pressures and battle unrelenting temptations These challenges can easily sidetrack men causing them to lose their spiritual focus Whether consciously or unconsciously many men subsequently spend their time and energy and resources searching for significance in pursuits and people and things that can never fully satisfy Some simply give up on ever finding lasting meaning and purpose in this world Others find themselves somewhere in between In any case the result is often the same a pervading sense of exhaustion futility or hopelessness Yet there is a remedy to this cultural epidemic and it is found in reclaiming and living out every man's true purpose which is found in God alone As Saint Augustine wrote Thou hast made us for Thyself O Lord and our hearts are restless until they rest in Thee The apostle Paul expressed it this way Everything absolutely everything above and below visible and invisible everything got started in Christ and finds its purpose in him Colossians 1:16 The Message 365 Meditations for Men by Men is intended to help men focus on their relationship with God and consequently find real meaning and purpose in life Twelve different Christian men share their reflections on what it means to be a man who seeks to follow Christ each and every day Drawing upon the lives of men in the Bible as well as their own personal experiences the writers present timeless truths and valuable life lessons that will speak to men of every age and experience In addition to offering inspiration and encouragement they provide counsel on practical matters such as how to know God get your priorities in order become spiritually fit be holy and righteous make a difference be equipped step up take risks stand firm serve God wholeheartedly As you make your way through the year whether you start in January or June you will be undergirded by a sense of brotherhood an assurance that you are not alone on this journey With this confidence may you boldly and courageously pursue a full and abundant life in Christ S D Sharpe editor 365 Meditations for Grandmothers Gloria Gaither, Nell W. Mohney, Marilyn Brown Oden, Betty Steele Everett, Margaret Huffman, 1994 In this book five Christian grandmothers invite you to share their journey with them to explore common themes of grandmothering and

renew your sense of God's presence in your life through the gift of grandmothering

**A Companion to Popular Apocalypticism in the High and Late Middle Ages** Sally Mayall Brasher, 2025-04-07 The many crises of the high and late Middle Ages in Europe saw a resurgence of interest in apocalypticism and millenarianism Pious Christians who feared the coming judgement day but found the established Church lacking in an adequate response sought out leadership and direction from thinkers who appealed to their lived experience In this volume we examine how this eschatology was interpreted expressed and disseminated in popular culture by a variety of lay religious movements and individuals such as the Order of Apostles Bianchi Guglielmites Wycliffites and Hussites among others The authors here focus on how this creative response to apocalypticism reflected the changing social and political culture of medieval Europeans and is intended to illuminate the active exchange of popular and elite religious culture in the era Contributors include Sally M Brasher Steven A Hackbarth Eleanor Janega Stephen Lahey Richard Landes Alexandra R A Lee Lucie Mazalov Jerry B Pierce and Sergio Sancho Fibla

*Bhakti and Embodiment* Barbara A. Holdrege, 2015-08-14 The historical shift from Vedic traditions to post Vedic bhakti devotional traditions is accompanied by a shift from abstract translocal notions of divinity to particularized localized notions of divinity and a corresponding shift from aniconic to iconic traditions and from temporary sacrificial arenas to established temple sites In *Bhakti and Embodiment* Barbara Holdrege argues that the various transformations that characterize this historical shift are a direct consequence of newly emerging discourses of the body in bhakti traditions in which constructions of divine embodiment proliferate celebrating the notion that a deity while remaining translocal can appear in manifold corporeal forms in different times and different localities on different planes of existence Holdrege suggests that an exploration of the connections between bhakti and embodiment is critical not only to illuminating the distinctive transformations that characterize the emergence of bhakti traditions but also to understanding the myriad forms that bhakti has historically assumed up to the present time This study is concerned more specifically with the multileveled models of embodiment and systems of bodily practices through which divine bodies and devotional bodies are fashioned in Krsna bhakti traditions and focuses in particular on two case studies the Bhagavata Purana the consummate textual monument to Vaisnava bhakti which expresses a distinctive form of passionate and ecstatic bhakti that is distinguished by its embodied nature and the Gaudiya Vaisnava tradition an important bhakti

tradition inspired by the Bengali leader Caitanya in the sixteenth century which articulates a robust discourse of embodiment pertaining to the divine bodies of Krsna and the devotional bodies of Krsna bhaktas that is grounded in the canonical authority of the Bhagavata Purana

Commodified Communion Antonio Eduardo Alonso, 2021-06-01 WINNER 2021 HTI BOOK PRIZE Resist This exhortation animates a remarkable range of theological reflection on consumer culture in the United States And for many theologians the source and summit of Christian cultural resistance is the Eucharist In Commodified Communion Antonio Eduardo Alonso calls into question this dominant mode of theological reflection on contemporary consumerism Reducing the work of theology to resistance and centering Christian hope in a Eucharist that might better support it he argues undermines our ability to talk about the activity of God within a consumer culture By reframing the question in terms of God s activity in and in spite of consumer culture this book offers a lived theological account of consumer culture that recognizes not only its deceptions but also traces of truth in its broken promises and fallen hopes
