### **Three Medieval Rhetorical Arts:**

Three medieval rhetorical Arts James Jerome Murphy, 1971      *Three Medieval Rhetorical Arts* James Jerome Murphy, 1985 This volume presents three medieval treatises on speaking and writing three Arts books designed by their authors to assist their colleagues in the preparation of poems letters hymns sermons or any other kind of composition

The History and Theory of Rhetoric James A. Herrick, 2015-08-07 The History and Theory of Rhetoric offers discussion of the history of rhetorical studies in the Western tradition from ancient Greece to contemporary American and European theorists that is easily accessible to students By tracing the historical progression of rhetoric from the Greek Sophists of the 5th Century B C all the way to contemporary studies such as the rhetoric of science and feminist rhetoric this comprehensive text helps students understand how persuasive public discourse performs essential social functions and shapes our daily worlds Students gain conceptual framework for evaluating and practicing persuasive writing and speaking in a wide range of settings and in both written and visual media Known for its clear writing style and contemporary examples throughout The History and Theory of Rhetoric emphasizes the relevance of rhetoric to today s students      *The History and Theory of Rhetoric* Luke Winslow, James A. Herrick, 2025-08-19 By tracing the traditional progression of rhetoric from the Greek Sophists to contemporary theorists this updated eighth edition gives students a conceptual framework for evaluating and practicing persuasive writing and speaking in a wide range of settings including written visual and digital media Through an expansive historical purview the book illustrates how persuasive public discourse performs essential social functions and shapes our societies drawing on the ideas of many of history s greatest thinkers and theorists This new edition includes an integrated exploration of non Western rhetorics an updated account of contemporary rhetoric and an enhanced analysis of rhetorical theory in a digital age Known for its clear writing style and contemporary examples throughout The History and Theory of Rhetoric emphasizes the relevance of rhetoric to today s students This revised edition serves as a core textbook for rhetoric courses in both English and communication programs covering both the historical tradition of rhetoric and contemporary rhetoric studies A suite of online resources including a detailed instructor s manual PowerPoint slides and videos from Dr Winslow can be found on the Instructor and Student Resources website at [www.routledgelearning.com/historyofrhetoric](http://www.routledgelearning.com/historyofrhetoric)

**Rhetoric and Pedagogy** Winifred Bryan Horner, Michael Leff, Robert Gaines, Jean Dietz Moss, Beth S. Bennett, 2013-12-02 To provide a view of the history of western rhetoric this volume presents original articles by a number of world renowned scholars representing different countries and varying viewpoints In discussing the status of the historical perspectives on rhetoric these international scholars also present a tribute to James J Murphy whose scholarship and service did much to shape the field The book will introduce new insights into western European rhetoric and its connections with English rhetoric      *Rhetoric in the Middle Ages (1974)* Denise Stodola, Douglas Kelly, Morris Tichenor, Beverly Mayne Kienzle, Timothy M. Baker, Jenny C. Bledsoe, 2019 *Rhetoric in the Middle Ages A History of Rhetorical Theory* from Saint

Augustine to the Renaissance was first published in 1974 by the University of California Press and won the national book award of the Speech Communication Association. It has since been translated into Italian, Spanish, and Polish. In 2001, it along with its companion anthology *Three Medieval Rhetorical Arts* was reprinted by the Arizona Center for Medieval and Renaissance Studies (ACMRS) and remains in print. In the more than four decades since the book first appeared, a vast number of studies of medieval rhetoric have appeared, and the field has advanced enormously. This Bibliographic Supplement allows readers to survey scholarly developments since 1974. It is organized into four chapters following the four sections of the original book: ancient rhetoric and its continuations; *ars dictaminis* (arts of poetry and prose); and *ars praedicandi*. Each chapter consists of a bibliographic essay discussing key works since 1974 in context and a bibliography specific to that chapter's subject.

**Essays on *Troilus and Criseyde*** Mary Salu, 1991. Each essay opens up new directions without ignoring past critical trends; an important guide for new approaches to the text and meaning of *Troilus and Criseyde* and as such an important contribution to Chaucerian scholarship.

**CHOICE** Are we to take the tone from the ending and read the whole poem ironically? Or read it sympathetically and dismiss the ending? These interesting pieces share a determination to deal thoroughly with what appear minor aspects of the poem and see if those offer any guide to the whole.

**TIMES LITERARY SUPPLEMENT** Contributors: ALFRED DAVID, JOHN FRANKIS, ALAN T. GAYLORD, MARK LAMBERT, JOHN MCKINSELL, JAMES WIMSATT, BARRY WINDEATT.

**Medievalia Et Humanistica**, 1973. *The Rhetorical Arts in Late Antique and Early Medieval Ireland* Brian James Stone, 2025-10-01. *The Rhetorical Arts in Late Antique and Early Medieval Ireland* represents the first study of the art of rhetoric in medieval Ireland, a culture often neglected by medieval rhetorical studies. In a series of three case studies, Brian James Stone traces the textual transmission of rhetorical theories and practices from the late Roman period to those early Irish monastic communities who would not only preserve and pass on the light of learning but adapt an ancient tradition to their own cultural needs, contributing to the history of rhetoric in important ways. The manuscript tradition of early Ireland, which gave us the largest body of vernacular literature in the medieval period and is already appreciated for its literary contributions, is also a site of rhetorical innovation and creative practice.

**The Seven Liberal Arts in the Middle Ages** David Leslie Wagner, 1983. *Political Language and Rhetoric* Paul E. Corcoran, 1979.

**Classical Rhetoric and Its Christian and Secular Tradition from Ancient to Modern Times** George Alexander Kennedy, 1980. A revised and updated edition of the popular and widely used guide to the classical tradition of rhetoric from its development in ancient Greece and Rome to the 20th century.

**Rhetoric and Renewal in the Latin West 1100-1540** John O. Ward, 2003. The essays in this volume, presented in honour of John O. Ward, explore the role of rhetoric in promoting reform and renewal in the Latin West from Peter Abelard (1079-1142) to Juan Luis Vives (1492-1540). Ward, who has taught for many years at the University of Sydney, has been an influential and creative force in medieval and Renaissance studies both in Australia and internationally. This volume opens with a personal memoir and bibliography of Ward's publications, as well as

an overview of the study of medieval rhetoric The first of the three sections Abelard and Rhetoric relates Abelard's rhetoric to his logic his theology and his relationship to Heloise A second section Voices of Reform considers various writers William of Malmesbury John of Salisbury Richard FitzNigel and William of Ockham who bring rhetorical techniques to bear upon analysis of social conditions A third section Rhetoric in Transition deals with the evolution of rhetorical theory between the late fourteenth and early sixteenth centuries The volume will be of interest not just to specialists in rhetoric but to all concerned with issues of reform and renewal in European culture during the period 1100-1540

Michigan Germanic Studies, 1979

**The Construction of Christian Poetry in Old English** John Gardner, 1975 Focusing on the works of Cynewulf the Caedmonic school and the great Beowulf poet John Gardner traces the development of Anglo Saxon Christian poetic style This latest contribution to a distinguished new series is a scholar novelist poet's analysis of allegorical modes in a few major poems from England's great age of allegory the seventh century to roughly the eleventh What John Gardner is out to understand and describe is not so much the meaning of particular poems though his study inevitably deals to some extent with meaning and offers critical interpretations but how the various kinds of Anglo Saxon allegory work what happens when several completely different kinds of allegory are brought together in one poem as in Beowulf and what it is that makes the different kinds of allegory not just intellectually but emotionally effective Gardner asks the right questions from both the scholar's and the novelist's points of view which turn out to be important for an understanding of the whole Anglo Saxon poetic tradition

*Persuasive Artistry* George Alexander Kennedy, Duane Frederick Watson, 1991

Studies in the Age of Chaucer, 1995

*The New Scholasticism* Edward Aloysius Pace, James Hugh Ryan, 1976 Includes section Book Reviews

**The Culture of Renaissance Humanism** William James Bouwsma, 1973

The Year's Work in Modern Language Studies, 1931
