**Three Wars Two Loves** David Olsen,2000-05 Master Sergeant Dick Mollison had fought his way across the European theater of WWII Now as that conflict drew to a close he was faced with a new assignment in a different world An island in the South Pacific He would be the senior man of a two man unit that would broadcast navigational signals for a group of super bombers The same planes that would drop the first atomic bombs Mollison s subordinate whom he referred to as his Number Two at first resented the sergeant but later grew to respect his direct ways of getting things accomplished Some of the things were romancing and marrying an island princess electrifying much of the island and introducing capitalism to the natives In the process Mollison achieved royalty status The lives of Mollison and Number Two Warren were to be inextricably intertwined for the next few decades At the end of the war Mollison kept his promise to stay on the island and help the people prosper Even Paradise has a time limit When the Korean hostilities flared Mollison was called back to active duty and was soon leading a ragtag bunch in the shooting war that was really a combat filled retreat Mollison was seriously wounded and found himself in a military hospital talking to an also wounded Warren Mollison received a battlefield commission as did Warren Mollison was glad to leave Korea and war behind While in the hospital he learned that a typhoon had cleared his island home of all life He couldn t believe his young wife was gone forever Mollison returned to the States and in Boston he met the island girl who had always loved him She left the island for a nursing career in the USA when Mollison married Now he found he was drawn to her Perhaps he had at last found the love and the life that he had always sought But it was not to be His friend Warren had stayed in the Army and achieved the rank of Lt Colonel Warren was deeply involved in the inevitable US involvement in a Southeast Asian country called Viet Nam He had a delicate mission that he and Mollison activated to accomplish Dick Mollison sees that the mission is actually a clearly treasonous act Yet he has received a direct order Honor and patriotism are tearing at his soul What is he to do

**A Thousand I's** Tyler Martin Sehna,2020-03-08 Are women really the caricatures that movies television and other mainstream media have made them out to be Are they really as humorously hyperemotional as your favorite sitcoms might suggest Or are they really only capable of playing second string to the supermen that have long dominated the silver screen and the pages of comic books A Thousand I s Presenting Women of the 21st Century seeks to explore how the longevity of such archaic stereotypes about women s emotions behaviors and sexualities have led modern day Americans to embrace such depictions of women as realistic and how mainstream media has worked to further ingrain these beliefs into the psyche of contemporary American culture A Thousand I s also tries to determine the origins and implications of such stereotypes and whether or not contemporary American media and culture have evolved in their conceptualizations of women two decades into the 21st

the national theatre practice To address this contradiction Gianina Druta approaches the reception of Ibsen in the Romanian  
theatre in the period 1894 1947 combining Digital Humanities and theatre historiography This investigation of the European  
theatre culture and the way in which the foreign acting and staging traditions influenced the Romanian Ibsenites provides
