## **Time To Say:**

**Time to Say Goodbye** Katie Flynn,2014-03-13 From the Sunday Times bestselling author Katie Flynn Three girls evacuated from Liverpool during World War Two support each other through hardship and heartbreak It s 1939 and three ten year old girls meet on a station platform Imogen Rita and Debby all missed the original evacuation and now the authorities are finding it difficult to place them When Auntie and her niece Jill who run the Canary and Linnet Public House offer to take them in the billeting officer is greatly relieved The countryside is heaven to the three little townies especially after they meet Woody and Josh also evacuees They find that by climbing to the top of the biggest tree in the beech wood they have a perfect bird s eye view of the nearest RAF station and are able to watch the comings and goings of the young fighter pilots as the Battle of Britain rages Then they find an injured flier and the war becomes a stark reality As they grow up love and rivalry enter their lives and twenty years on when the girls decide on a reunion many surprises come to light

**Now It's Time to Say Goodbye** Dale Peck,2015-07-07 When the 500th person they know dies of AIDS Colin and Justin flee New York City They end up in Galatia a Kansas town founded by freed slaves in the wake of the Civil War whose population is now divided evenly but uneasily between African Americans descended from the town s founders and Caucasians who buy up more of the town s land with each passing year But within weeks of relocating they are implicated in a harrowing crime and discover that they can t outrun their own tortured history nor that of their new home An encompassing visionary many threaded work Now It s Time to Say Goodbye is an American novel of great scope and nearly mythological intensity This is the third volume of Gospel Harmonies a series of seven stand alone books four have been written that follow the character of John in various guises as he attempts to navigate the uneasy relationship between the self and the postmodern world

**No Time to Say Goodbye** Carla Fine,2011-05-11 Suicide would appear to be the last taboo Even incest is now discussed freely in popular media but the suicide of a loved one is still an act most people are unable to talk about or even admit to their closest family or friends This is just one of the many painful and paralyzing truths author Carla Fine discovered when her husband a successful young physician took his own life in December 1989 And being unable to speak openly and honestly about the cause of her pain made it all the more difficult for her to survive With No Time to Say Goodbye she brings suicide survival from the darkness into light speaking frankly about the overwhelming feelings of confusion guilt shame anger and loneliness that are shared by all survivors Fine draws on her own experience and on conversations with many other survivors as well as on the knowledge of counselors and mental health professionals She offers a strong helping hand and invaluable guidance to the vast numbers of family and friends who are left behind by the more than thirty thousand people who commit suicide each year struggling to make sense of an act that seems to them senseless and to pick up the pieces of their own shattered lives And perhaps most important for the first time in any book she allows survivors to see that they are not alone in their feelings of grief and despair
